Does your student success or first-year orientation program....

- ☐ provide real-time reports on student progress to quickly catch procrastinators and overwhelmed students?
- ☐ notify instructors by email as students go through the program?
- ☐ allow chapters to be re-ordered or removed?
- ☐ provide your institution with a personal URL and branding?
- ☐ work on any computer or tablet - without an expensive hardware purchase?
- ☐ include free training for instructors?
- ☐ have friendly support available by phone or email for staff and students?
- ☐ include a professional guide with everything needed to get started?
- ☐ include 100+ supplementary supporting activities?
- ☐ cost students less than most textbooks?
- ☐ include scholarships for students in need?
- ☐ encourage reflection of the material and build writing skills with journal entries?
- ☐ automatically grade and provide immediate feedback for quizzes and activities?
- ☐ maximize comprehension for ELL students with an 8th grade reading level?
- ☐ motivate students with inspirational quotes?
- ☐ focus on positive thinking for the future?
- ☐ use cartoons to emphasize serious points?
- ☐ apply outside of school to prepare students for lifelong success?
- ☐ incorporate career development and 21st century skill building?
- ☐ contain the popular personality type assessment, Do What You Are®?
- ☐ include the PEPS Learning Style Inventory to determine and effectively use learning style and productivity preferences?
- ☐ reveal students' multiple intelligences profiles with MI Advantage™ and provide cross-intelligence development strategies?
- ☐ personalize content based on student results?
- ☐ link careers with personality type and multiple intelligence results?
- ☐ include in-program messaging between instructors and students?
- ☐ allow student insights and results to be shared with counselors and other departments?
- ☐ qualify as a college-level, credit-bearing course?
- ☐ move quickly from theory to practical application?
- ☐ have a foundation in social sciences?
- ☐ address topics from physiological, sociological and psychological perspectives?

Too many blank boxes? Look into the *CollegeScope™ Student Program* to see how you can improve your first-year initiatives easily and inexpensively.
