- 3. Students in the School of Library and Information Science are required to demonstrate proficiency in one foreign language equivalent to the 121 course through course credit or the corresponding foreign language placement score.
- 4. The Carolina Core provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
- 5. Professional Courses (30 hours): Complete the required credit hours for each category below and choose two additional courses from any category.
 - a. Technology/Systems (6 hours): CSCE 101, CSCE 102, MGSC 290, GEOG 363, ITEC 444
 - Business (6 hours): ACCT 222, ACCT 225, ECON 224, MKTG 350

- 6. A minor is eighteen credit hours or more. BSIS students are encouraged to pursue one of the sanctioned USC minors in over a hundred different subject areas. BSIS students, with an approval from the BSIS committee, may choose to a cognate instead of a minor. The cognate is usually twelve hours of course work and two approved electives for a total of eighteen hours. Only six hours of lower division class credits can be applied to the cognate or approved electives. All cognates and electives will be approved by the BSIS sub-committee usually by the second semester of the Junior year of a BSIS student if not earlier.
- 7. SLIS recommends one of the following: SAEL 200, SPCH 145, or SPCH 230. SAEL 200 is approved to fulfill the CC-CMS and VSR requirements. If SPCH 140, 230 or 260 is used to fulfill the CC-CMS requirement, then a separate CC-VSR course will be required. SPCH 140 and 260 cannot be used to fulfill both the CC-CMS requirement and the SLIS public speaking requirement.
