Graduation Requirements Summary

Minimum Total Hours	Minimum Major Requirements Hours	College & Program Requirements Hours	Carolina Core Hours	Minimum Institutional GPA
120	24	51-63	32-44	2.000

- 1. Regardless of individual course grades, students must maintain a minimum 2.00 cumulative GPA.
- 2. Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
- 3. The Carolina Core provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
- 4. Students in the College of Arts and Sciences are required to demonstrate proficiency in one foreign language equivalent to the 122 course through course credit or the corresponding foreign language placement score. The foreign languages recommended for students majoring in philosophy are French, German, Greek, and Latin.
- 5. 18 hours of Philosophy electives numbered 201 or above are required and must include two courses at the 500-level (6 hours), as well as one course from each of the groups in the following table:

nom each of the groups in the following table.					
Choose 1 from each of the following groups:					
Ancient Philosophy:	Modern Philosophy:				
PHIL 301 – Ancient Philosophy (cross-listed: CLAS 301)	PHIL 304 – 17 th & 18 th Century Philosophy				
PHIL 302 – Greek & Roman Phil. after Aristotle (cross-listed: CLAS 302)	PHIL 305 – 19th & 20th Century Philosophy				
PHIL 303 – History of Medieval Philosophy	PHIL 310 – American Philosophy				
PHIL 312 – Class. Orig. of Western Med. Ethics (cross-listed: CLAS 360)	PHIL 311 – Existentialism				
PHIL 313 – Between Magic & Method: Ancient Medicine (cross-listed: CLAS					
361)					

- 6. The College of Arts and Sciences requires one U.S. History and one non-U.S. History course, both of which must be chosen from the approved Carolina Core GHS courses. Whichever is not fulfilled through the Carolina Core GHS requirement must be fulfilled through this college requirement.
- 7. The cognate is intended to support the course work in the major. The cognate must consist of twelve hours of courses at the advanced level, outside of, but related to the major. In place of a cognate, a student may choose a minor consisting of at least 18 credit hours of courses concentrated in one area that follow a structured sequence. A second major eliminates the minor/cognate requirement.
- 8. Students majoring in Philosophy are encouraged to take PHIL 390 during the junior year, or before the final 30 hours of study. PHIL 390 fulfills the Field of Philosophy requirement within the Philosophy major. Students should plan to take PHIL 390 during their Junior year, or after 60 hours of study.
- 9. No courses of a remedial, developmental, skill-acquiring, or vocational nature may apply as credit toward degrees in the College of Arts and Sciences. The College of Arts and Sciences allows the use of the Pass-Fail option on elective courses. Further clarification on inapplicable courses can be obtained from the College of Arts and Sciences.

Program Notes:

- ENGL 101 and ENGL 102 must be completed in the student's first 60 semester hours of work in order for these courses to be credited toward graduation.
- The Departmental Undergraduate Research Track is available to students majoring in Philosophy who wish to participate in significant research activities in collaboration with, or under the supervision of, a faculty mentor. In addition to the Philosophy major requirements, a student must complete the following: 1) PHIL 495 Senior Thesis; 2) a minimum GPA of 3.50 in the major; 3) a minimum cumulative GPA of 3.30; 4) a public presentation of the Senior Thesis (at an annual meeting of the South Carolina Society for Philosophy, a regular or special session of the Philosophy Department Colloquium Series, USC Discovery Day, or submission to an undergraduate or a professional journal).
- The last 30 credit hours toward your degree must be earned in residence at the University of South Carolina-Columbia.

University Requirements: Bachelor's degree-seeking students must meet Carolina Core (general education) requirements. For more information regarding these requirements, please visit the <u>Carolina Core</u> page on the University website.
