I. Report from the Williams Brice Committee: Chairman Wienges called on Mr. Foster, Chairman of the Williams Brice Committee, and noted that Mr. Hyman was also present to provide additional details if needed.

Mr. Stepp reported, on behalf of Mr. Foster, who was participating by telephone, that the WBC was an ad hoc group of athletics administrators, the Gamecock Club Board, as well as University Trustees and staff who were charged to carefully consider matters of importance to the Athletics Department which affect the Gamecock Club and its members, the University at large, and the approvals processes of the Board. As a result, the Committee presented two items for the Intercollegiate Activities Committee’s consideration.

A. Ticket Pricing Philosophy - The first item had to do with the
University's ticket pricing philosophy and forthcoming changes in ticket prices. This matter had been referred to the Williams Brice Committee for review at the last Intercollegiate Activities Committee meeting. The Intercollegiate Activities Committee had been sent a document by fax describing the philosophy and specific price changes. Mr. Hyman explained both the concepts and the specifics. The Williams Brice Committee unanimously recommended the proposal as distributed to the Intercollegiate Activities Committee.

Mr. Foster moved to adopt the ticket pricing proposal as distributed. Mr. Mungo seconded the motion.

The vote was taken, and the motion carried.

B. Football Parking Proposal - The second item concerned charging for parking in areas controlled by the University near the stadium for football games. Documentation had been sent by fax to the Intercollegiate Activities Committee which reflected the unanimous opinion of the Williams Brice Committee.

Mr. Foster moved to adopt the parking pricing structure as distributed. Mr. Hubbard seconded the motion. Mr. Hyman explained the football parking proposal. The Williams Brice Committee unanimously recommended the proposal as distributed to the Intercollegiate Activities Committee.

The vote was taken, and the motion carried.

II. Adjournment: Since there were no other matters to come before the Committee, Chairman Wienges declared the meeting adjourned at 3:05 p.m.

Respectfully submitted,

Thomas L. Stepp
Secretary
