I. Contracts Valued in Excess of $250,000:

- Athletics Contract: Head Football Coach Stephen O. Spurrier:

Chairman Loadholt called on Mr. Parham who presented a summary of Amendment number seven to the Employment Agreement of Head Football Coach Stephen O. Spurrier. The request was for a two-year extension. Although the extension represented no change in compensation, it would, however, increase the University's "buy-out" obligation. The current contract expired on December 31, 2013; and the two-year extension would begin January 1, 2014 and end December 31, 2015.

Dr. Floyd moved approval of the amendment to the employment agreement as described in the meeting materials. Mr. Adams seconded the motion. The vote was taken, and the motion carried.

II. Softball Stadium Bond Resolution:

Chairman Loadholt called on Ms. Brunelli who stated that project was to construct a new women's softball stadium. The work will include demolition of the existing softball stands and support structures and construction of new top-loading stadium seating that connects to the pedestrian spine of the Athletic Village.

The current stadium seats approximately 700 fans. The new stadium will provide approximately 1,350 permanent seats. In addition to new seating, the project will also include construction of restrooms, a press box, concession facilities, lighting, backstop netting, dugouts, batting cage facility, and team locker rooms.

The new stadium will provide a competitive venue for women's softball, addressing equity in athletic facilities for women with amenities similar to and of the same quality as those in the baseball stadium.

The project cost is $8 million and the Bond Resolution is $9 million. The difference will cover: debt service reserve, if required; issuance costs; and a market cushion. Issuance is planned for Spring 2012, depending on market conditions and will be combined with the Farmers Market renovation bond. The Softball stadium is expected to be completed prior to the 2013 season.

Mrs. Brunelli stated that the current outstanding athletic facilities debt was $112,700,000; and that the projected outstanding debt after issuance on this bond would be $128,200,000 ($129,200,000 at full amount of resolution). The Legislative cap on athletic debt is $2 million.

Mrs. Brunelli reported on the University's current bonded indebtedness by category and financing needs. She anticipated the bond to be rated at Aa3.

Following some discussion regarding the University's debt limit, Ms. Brunelli stated that the Board would be provided, in Spring 2012, a full recap from Barclays on the University’s debt. She would request that the athletics debt be separated out from the total debt.
Mr. Lister moved approval of an Athletic Facilities Revenue Bond Resolution authorizing up to $9 million for construction of a new softball stadium. The authorized amount will provide approximately $8 million toward construction costs and the necessary amount for capitalized interest, debt service reserve and issuance costs associated with the bonds. These bonds will be serviced with Net Revenues of the Athletic Department and the existing Admission Fee and Special Student Fee. Mr. Warr seconded the motion. The vote was taken and the motion carried.

III. Other Matters:
   - Ratification of Titles: Chairman Loadholt called on President Pastides who recommended the following two honorary titles.
     1. Secretary Emeritus for Thomas L. Stepp effective January 1, 2012:
        President Pastides stated that Mr. Stepp served the University and the Board of Trustees as Secretary for 25 years. Mr. Adams moved approval to ratify the title and Mr. Warr seconded the motion. The vote was taken and the motion carried.
     2. Distinguished Chancellor Emeritus for John C. Stockwell effective July 31, 2011: President Pastides stated the Dr. Stockwell had served USC Upstate during an era of great growth. Mr. Lister moved approval to ratify the title and Mr. Adams seconded the motion. The vote was taken and the motion carried.

Since there were no other matters to come before the Committee, Chairman Loadholt declared the meeting adjourned at 10:00 a.m.

Respectfully submitted,

Thomas L. Stepp
