The following user types can create a Hiring Proposal:

- Initiator
- Department HR Contact
- College/Division HR Contact

1. Go to the Applicant Tracking Module, using one of the above user types.

2. Click on the Postings tab and choose “Adjunct/Temporary.”

3. Search for the posting in which you would like to create a Hiring Proposal for and click either the Classification Title or Internal Title of the position to enter the posting.

4. Click on the “Applicants” tab within the posting.
5. Review the application closely with special attention to the General Information Section as follows:

- **Review Citizenship and Employer Sponsorship**

  - If an applicant answered Yes to US Citizen and Yes to Employer Sponsorship, stop and email Talent Acquisition at hrtalent@mailbox.sc.edu to reactivate the application before proceeding with the hiring proposal. The applicant will receive an email to modify the general application data. To ensure data integrity, this action must be completed before the hiring proposal is initiated.

  - If an applicant answered No to US Citizen and Yes to Employer Sponsorship, be sure to consult with ISFS and reference the International New Hires Guide for additional guidance.

  - If an applicant answered No to US Citizen and No to Employer Sponsorship, be sure to consult with ISFS for guidance.
Check if the applicant is a current employee. This will determine the Action Type that is selected on the Hiring Proposal.

- If yes, the Action Type may be reassignment, promotion or demotion.

- If no, and the employment history does not reflect past USC employment, the Action Type is New Hire. If no, and the employment history reflects past USC employment, the Action Type is Rehire.

When reviewing the application, you may find it helpful to generate a Combined Document. The functionality produces a PDF document of the application and documents attached to the application, such as cover letter, resume and recommendation letter.

6. Click on the blue hyperlink of your final applicant’s last name to open the application or on the action button to view the application.

- The applicant must be in the status of “Recommend for Hire” for this link to appear.
7. Click the “Start Adjunct/Temp Hiring Proposal (No Position Description)” link on the right at the top of the page.

9. Scroll down and complete the USC ID field in the Candidate Information Screen. The USC ID can be found through a Data Warehouse report for active employees. If you do not have access to HR Data Warehouse, you may wish to periodically request a USC ID roster from the College/Division HR Contact.

13. Enter the required funding information. Click the “Add Funding Information Entry” button should you need to add additional funding.

- If as the Initiator you do not know the supervisor’s social security number, you may enter N/A in the supervisor’s social security number field. The College/Division HR Contact will be expected to enter the supervisor’s social security number at the time of his/her review. If not entered when submitted to HR Operations, the Hiring Proposal will be returned to the College/Division HR Contact.

- If the Initiator or Department HR Contact is not aware of the check distribution or timecard distribution number, then each college/division may need to create a job aid to assist in completing these fields. If not entered when submitted to HR Operations, the Hiring Proposal will be returned to the College/Division HR Contact.

16. Click either “Next” at the bottom or top of the Job Offer Information Screen to save your data and move to the Hiring Certification Screen.

17. The Prospective Non U.S. Citizen Screen is to be utilized and completed ONLY if an international applicant has been recommended for hire as an adjunct faculty or temporary post-doctoral fellow. If rehiring an international, you are to continue to work in conjunction with the International Support for Faculty and Staff Office. Please select whether the appointment at the time of hire will have access to USC Insurance, if this is applicable.

18. Click either “Next” at the bottom or top of the Prospective Non U.S. Citizen Screen to save your data and move to the Hiring Proposal Documents Screen.

23. Create the Onboarding Event for New Hires and Rehires (Greater than or Equal to 1 Year). For rehires (Less than 1 Year) and other actions, such as promotion, HR Operations or ISFS will assign the necessary checklists. All international new hires at the Columbia campus will have the onboarding checklists assigned by the International Support for Faculty and Staff (ISFS) so that they may assist the candidate with completion of the assigned tasks. The campuses will continue to assign International checklists to their new hires.

- The First Name, Last Name, Personal Email, Street Address and Zip will populate from the hiring proposal.
  - Personal email address is a unique identifier between Applicant Tracking and Onboarding. It is important that you do not edit this data element.

Adjunct Faculty/Temporary Staff (No PD)

- Employee ID = USC ID. A current employee or former employee of USC has an opportunity to enter this information on their application. If it is on their application, please be sure to add it to the Employee ID field. This is a unique identifier between Applicant Tracking and Onboarding. Do not enter N/A or any other value, except the USC ID, if the employee has a USC ID.

- Select the employee’s supervisor from the dropdown. This is very important, as the supervisor will be assigned a PD acknowledgement task.

- In the Onboarding Checklist field, click Select Some Options and select all applicable checklists.

  - Select Critical New Hire Checklist. This information contains critical information to hire the employee into the HR and Payroll system and all employee tasks must be completed before the employee can be hired prior to their arrival at USC.

  - Select the appropriate position specific checklist (Temporary Staff or Adjunct Faculty New Hire Tasks), as well as location specific (e.g. Columbia Campus New Hire Tasks), and insurance benefits, if applicable. Refer to the Onboarding Checklists Matrix, if you are uncertain which checklists to assign.

  - Enter Due Date: Generally, we recommend the due date be the same as the employee’s hire date.

  - Log into I-9 Advantage, select Section 1 email and send a request to the new hire to complete Section 1 of their I-9. If you have an opportunity to complete Section 2 of the I-9 prior to the employee’s effective date of hire, we encourage you to do so; otherwise, please ensure Section 2 is completed within 3 days of the hire date.

Remember, the candidate must complete the Critical New Hire Onboarding Tasks to facilitate entry into the HR/Payroll System. Refer to Managing Onboarding Checklists & Viewing Employee Files for more information.
24. HR Operations will review the Hiring Proposal.

   i. If approved, you will receive an email notification that the Hiring Proposal is at the status of Hire Approved.

   ii. If rejected, you will receive an email notification with specific comments to take action on the Hiring Proposal. In addition to the email notification, the History tab will show Performed “Edit Requested” with the comments.

   iii. Make the edits and select “Edit Completed” to return it to Offer Accepted/Create Onboarding. Do not create onboarding again, as the employee will receive duplicate checklists.
