7. Click the “Start Faculty Hiring Proposal” link on the right at the top of the page.

8. Your position will be listed under the Selected Position Description section.
   - The selection will default to the Position Description (PD) from which this posting was created.
   - An applicant CAN be hired into another approved PD (with a different position number), if you are hiring multiple candidates from that posting.

9. Once the appropriate PD is selected, scroll to the bottom and click the “Select Position Description” button.

10. You will be directed to the Hiring Proposal Screen. Information from the applicant, job posting, and PD will transfer over automatically to the Hiring Proposal. Required information will be marked with an asterisk and the field will be in RED.
11. Scroll down and complete the USC ID field in the Candidate Information Screen. The USC ID can be found through a Data Warehouse report for active employees. If you do not have access to HR Data Warehouse, you may wish to periodically request a USC ID roster from the College/Division HR Contact.

12. Click either “Next” at the bottom or top of the Candidate Information Screen to save your data and move to the Position to be Filled Screen.

13. In the Position to be Filled Screen, choose the correct home department from the home department dropdown field. Make any necessary changes to the funding or add other funding, if necessary. For example, if additional funding is associated with the salary of the Faculty RGP/TL employee, select “Add Funding Information Entry” on the Hiring Proposal. Please ensure the funding amount matches the salary information on the Job Offer Information Screen.

14. Click either “Next” at the bottom or top of the Position to be Filled Screen to save your data and move to the Job Offer Information Screen.

15. In the Job Offer Information Screen, complete the following fields shown.

   If as the Initiator you do not know the supervisor’s social security number, you may enter N/A in the supervisor’s social security number field. The College/Division HR Contact will be expected to enter the supervisor’s social security number at the time of his/her review. If the Initiator or Department HR Contact is not aware of the check distribution or timecard distribution number, then each college/division may need to create a job aid to assist in completing these fields.
The benefits chosen at the time of the posting creation will default to the Job Information Screen.

**Action Type Definitions:** Please make sure the correct Action Type is selected.

- **New Hire:** a candidate who has never worked for USC. If the candidate was a student employee in the past, this does not count as having worked at USC for this purpose.

- **Rehire (Less than 1 year):** a candidate who previously worked at USC, but has had a break in service of less than 1 year. This includes the typical rehire of Adjunct Faculty or Temporary Staff. If the candidate was a student employee in the past, this does not count as having worked at USC for this purpose.

- **Rehire (Greater than or Equal to 1 year):** a candidate who previously worked at USC, but has had a break in service in excess of or equal to 1 year. If the candidate was a student employee in the past, this does not count as having worked at USC for this purpose.

- **Demotion:** the assignment of an employee from one position to a different position having a lower band or, for employees in unclassified positions, assignment of a lower rate of pay to the employee except when the employee’s job duties also are decreased for nonpunitive reasons.

- **Promotion:** the assignment of an employee from one position to a different position having a higher band or, for unclassified positions, having a higher rate of pay.

- **Reassignment:** the movement of an employee from one position to another position having the same band, or the movement of a position that does not require reclassification.
16. Ensure the funding amount(s) and the base salary (or total compensation, if a supplement is included) are equal.

17. Click either “Next” at the bottom or top of the Job Offer Information Screen to save your data and move to the Prospective Non U.S. Citizen Screen.

18. The Prospective Non U.S. Citizen Screen is completed, if an international applicant has been recommended for hire. If hiring an international, you are to work in conjunction with the International Support for Faculty and Staff Office. If not an international hire, skip this tab completely.
19. Click either “Next” at the bottom or top of the Prospective Non U.S. Citizen Screen to save your data and move to the Hiring Certification Screen.

20. In the Hiring Certification Screen, click “Yes” or “No” from the dropdown to certify the candidate meets the minimum qualifications for the position.

21. Click either “Next” at the bottom or top of the Hiring Certification Screen to save your data and move to the Hiring Proposal Documents Screen.

22. In the Hiring Proposal Documents Screen, you may attach various documents that are applicable to the faculty RGP/TL position type. The Attestation of Hiring Process and Signed Offer/Acceptance Letter is required for RGP and TL positions.

23. Click either next at the bottom or top of the Hiring Proposal Documents Screen to save your data and move to the Hiring Proposal Summary Screen.
24. At the top right, hover over the “Take Action on Hiring Proposal” button and submit it to the appropriate approver based on your internal business process. It may be helpful to enter information, such as requested review or next steps, in the Comments box before moving it to the approver. The comments will appear in the History tab as well as the email notification. Remember, Hiring Proposals must have at least two levels of approvers and must not be the same person.

25. When the offer has been made and accepted, upload the Signed Offer and Acceptance Letter to the Hiring Proposal Documents, then move the Hiring Proposal through the workflow to Offer Accepted/Create Onboarding*. This will transition the Hiring Proposal to HR Operations.

   *If the verbal offer is not accepted, you will select “Offer Declined,” or if the Hiring Proposal is canceled, select “Cancel.”

26. Create the Onboarding Event for New Hires and Rehires (Greater than or Equal to 1 Year). For rehires (Less than 1 Year) and other actions, such as promotion, HR Operations or ISFS will assign the necessary checklists. All international new hires at the Columbia campus will have the onboarding checklists assigned by the International Support for Faculty and Staff (ISFS) so that they may assist the candidate with completion of the assigned tasks. The campuses will continue to assign International checklists to their new hires.

- The First Name, Last Name, Personal Email, Street Address and Zip will populate from the hiring proposal.
  - Personal email address is a unique identifier between Applicant Tracking and Onboarding. It is important that you do not edit this data element.

- Employee ID = USC ID. A current employee or former employee of USC has an opportunity to enter this information on their application. If it is on their application, please be sure to add it to the Employee ID field. This is a unique identifier between Applicant Tracking and Onboarding. Do not enter N/A or any other value, except the USC ID, if the employee has a USC ID.

- Select the employee’s supervisor from the dropdown. This is very important, as the supervisor will be assigned a PD acknowledgement task.

- In the Onboarding Checklist field, click Select Some Options from the dropdown of checklists and assign all applicable checklists.
  - Select Critical New Hire Checklist. This information contains critical information to hire the employee into the HR and Payroll system and all employee tasks must be completed before the employee can be hired prior to their arrival at USC. If you have an opportunity to complete Section 2 of the I-9 prior to the employee’s effective date of hire, we encourage you to do so; otherwise, please ensure Section 2 is completed timely.

  - Select the appropriate position specific checklist (RGP/TL New Hire Tasks), as well as location specific (e.g. Columbia Campus New Hire Tasks), and insurance benefits, if RGP or TL and applicable. Refer to the Onboarding Checklists Matrix, if you are uncertain which checklists to assign.

  - Enter Due Date: Generally, we recommend the due date be the same as the employee’s hire date.

*Remember, the candidate must complete the Critical New Hire Onboarding Tasks to facilitate entry in the HR/Payroll System. Refer to Managing Onboarding Checklists & Viewing Employee Files for more information.*
27. HR Operations will review the Hiring Proposal.

   i. If approved, you will receive an email notification that the Hiring Proposal is at the status of Hire Approved.

   ii. If rejected, you will receive an email notification with specific comments to take action on the Hiring Proposal. In addition to the email notification, the History tab will show Performed “Edit Requested” with the comments.

   iii. Make the edits and select “Edit Completed” to return it to Offer Accepted/Create Onboarding. Do not create onboarding again, as the employee will receive duplicate checklists.

28. The candidate will automatically be seated in the respective position upon the Hiring Proposal being approved.
