

**TRANSFER CREDIT GUIDE:
EARLY CHILDHOOD EDUCATION**

If you are a South Carolina technical college student who plans to transfer to the University's College of Education, to pursue a major in Early Childhood Education, you should consider the following courses as you schedule your technical college classes. The courses listed below will transfer to this degree. This list does not include every technical college course which is available for transfer to the University of South Carolina. You are not required to take all courses listed prior to transferring. Rather, it is a guide for you and your advisors.* You should be aware that courses must be passed with a *grade of C or higher* in order to be considered for transfer credit. Please review admissions requirements at www.sc.edu/admissions.

*The Early Childhood program leads to SC teacher certification for grades pre-kindergarten through 3.

Note: If you are transferring from Midlands Technical College or Orangeburg-Calhoun Technical College, you should also ask your technical college advisor about the Pathways Project. This is a collaborative program for students at these institutions considering transferring into an Education Program at USC-Columbia.

Or, if you are enrolled in an NAEYC accredited Early Care and Education Associate Degree program at a South Carolina Technical College System institution, meet with your advisor to discuss transferability to the USC-Columbia program.

* Technical students must meet all requirements for admission to USC and must be accepted through the Office of Undergraduate Admissions. Consult the University Bulletin for specific entrance requirements. Nothing in the foregoing supersedes any University, college, departmental, or programmatic regulation or policy.
