

TRANSFER CREDIT GUIDE: RETAILING/FASHION MERCHANDISING

If you are a South Carolina technical college student who plans to transfer to the University's College of Hospitality, Retail, and Sport management to pursue *a major in retailing or an emphasis in fashion merchandising/retail management* you should consider the following courses as you schedule your technical college classes. The courses listed below will transfer to degree programs within the College of Hospitality, Retail, and Sport Management. This list does not include every technical college course which is available for transfer to USC. You are not required to take all courses listed prior to transferring. Rather, it is a guide for you and your advisors.* You should be aware that courses must be passed with a *grade of C or higher* in order to be considered for transfer credit. Please review admissions requirements at www.sc.edu/admissions.
