# *Employment Survey Results*

## *2007-2008*

### *Survey Background*

- December 2007, May 2008, and August 2008 baccalaureate graduates were surveyed regarding their initial employment following graduation.
- All baccalaureate graduates were surveyed whether or not they had worked with Career Center staff.

### *Response Rate*

- There were 4077 graduates surveyed.
- 814 of 4077 surveys were returned for an overall response rate of 20%. Respondents could access the survey and submit their responses via a web-based form. Graduates who did not initially respond to the survey were sent follow-up emails and, in some cases, telephoned to encourage their participation.
