SCSPA Mini-Evaluation Entry Form

Publications must be members of SCSPA to receive a mini-evaluation.

Submissions may be sent in anytime from the beginning of the school year until Dec. 4. The earlier in the fall submissions come in, the more likely a quick turn around. Although SCSPA makes every effort to have evaluations back to advisers within three weeks of our receiving them, submissions received after Dec. 1 may not be able to be returned until after winter break.

Evaluators will provide one-two pages of comments about the strengths and weaknesses of the newspaper. Mini-evaluations are for information only. They are not rated.

To shorten response time and provide an easy-to-share-with-students method for advisers, evaluations are returned via email. Newspapers are not returned.

Payment ($20) can be included with a publication's membership at the beginning of the year, or checks may be sent with this form and the newspaper.

For more information, please contact Karen Flowers: flowersk@mailbox.sc.edu or 803-777-6284.
