

NURSES

Can Do Anything

THE SUMMIT SCHOLARSHIP

I cannot imagine a world without nurses. The profession has meant so much to me and gives so much to others.

Dr. Patrick Hickey, Assistant Professor, University of South Carolina College of Nursing

Photo courtesy of Brett Flashnick

Dr. Hickey is climbing the seven highest mountains in the world to draw attention to the nursing shortage. His goal is simple: Raise one dollar for every foot of his final challenge, Mount Everest. Help us climb the mountain. Make a gift to the Summit Scholarship.

For information on how to contribute, please call 803-777-3468 or visit the College of Nursing Website: www.sc.edu/nursing.
