My USC Experience

The following slides illustrate the process for students to access and manage their **USC Experience** extended transcript.
Student access their **My USC Experience** records here.

Records are available to USC students admitted Fall 2018 and later.
This is the home page that shows all of your USC Experience records. You can filter your record by term or category.

You can click the box next to any engagement to hide it; the lock icon means your advisor will not be able to see any experience with the box checked.

Click here to select which experiences will show up on your USC Experience transcript.
Students create and manage versions of their USC Experience transcript from this page.

**Sending Your USC Experience Transcript to a Prospective Employer or Graduate School**

You may create or edit multiple versions of your transcript. When you save a transcript, document management tools will be visible above (view, edit, delete).

When you order distribution of a USC Experience transcript using the Registrar's transcript ordering process, the transcript selected above (indicated with a check mark in the Default column) will be sent. Use the edit function (pencil) to select a transcript for distribution. You can change your selection at any time for future distribution.

The transcript selected here at the time you place an order for distribution will be sent; before submitting an order please be sure that the version you want to send is selected.

Enter a name for this USC Experience transcript *
Job Application

☐ Make this my current transcript for Parchment when ordering.

Select the engagements you want to show up on your transcript by checking the boxes to the left of the engagement name. The box will turn blue and the engagement will highlight in garnet when selected for inclusion.

This box determines which version of your transcript will be sent if you request a transcript. If you have multiple versions saved, be sure the one you want sent is selected as "Make this my current transcript for Parchment" before you place your order.
You can create, edit, and store multiple versions of your transcript.

The transcript marked as “default” is the document that will be sent with any Parchment orders. To change the default transcript, click the pencil icon below.

You can also change what engagements appear on the transcript by editing it via the pencil icon.

You can preview your transcript by clicking the green book icon.

The check mark shows the default transcript.

Sending Your USC Experience Transcript to a Prospective Employer or Graduate School

You may create or edit multiple versions of your transcript. When you save a transcript, document management tools will be visible above (view, edit, delete).

When you order distribution of a USC Experience transcript using the Registrar’s transcript ordering process, the transcript selected above (indicated with a check mark in the Default column) will be sent. Use the edit function (pencil) to select a transcript for distribution. You can change your selection at any time for future distribution.

The transcript selected here at the time you place an order for distribution will be sent; before submitting an order please be sure that the version you want to send is selected.

Once you’ve previewed your transcript, you can print an unofficial copy as .pdf file.

The “UNOFFICIAL” watermark is visible on student-saved and printed versions.

The UNOFFICIAL watermark is removed if you order an official USC Experience transcript through the Registrar’s Office.
