Graduation Requirements Summary

Minimum Total Hours	Major Requirements Hours	College & Program Requirements Hours	Carolina Core Hours	Minimum Overall GPA
120	48	36-42	31-37	2.5

- Regardless of individual course grades, students must maintain a minimum 2.5 cumulative USC GPA.
- Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
- A score of less than 16 on the Math Placement Test requires that a student take STAT 110 as the first ARP course to meet the prerequisite requirement for STAT 201.
- Students in the College of Information and Communications are required to demonstrate proficiency in one foreign language equivalent to the 122 course through course credit or the corresponding Foreign language placement score.
- The [Carolina Core](#) provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
- Students must complete either a minor (18 hours) or a cognate (12 hours) from courses outside the SJMC. The minor is intended to develop a coherent basic preparation in a second area of study. Courses applied toward general education requirements cannot be counted toward the minor. No course may satisfy both major and minor requirements. A cognate requires a minimum of 12 hours of courses in other departments related to the student's major and/or career goals. Cognate courses may be taken in one or more departments depending on the interest and requirements of the student, but must have approval of the student's advisor. Journalism courses may not be used in the cognate. At least 6 of the 12 hours must be at the 300-level or higher. No 100-level courses may be used in the cognate.
- English literature course (3 hours) from ENGL 282-288.
- Journalism major courses include: **four Public Relations Directed Electives (12 hours)**: two writing courses –6 hours; one supervised work experience –3 hours; and one conceptual course –3 hours; and **three JOUR electives (9 hours)** of the student's choice.

- The Carolina Core, College and Program requirements must include at least 72 semester hours in academic subjects. Students with fewer than 72 hours in these areas must take enough electives to fulfill the 72-hour minimum.
