### Graduation Requirements Summary

Minimum Total Hours	Major Requirements Hours	College & Program Requirements Hours	Carolina Core Hours	Minimum Overall GPA
120	24	52-64	32-44	2.000

- Regardless of individual course grades, students must maintain a minimum 2.000 cumulative GPA.
- Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
- Students who do not place into MATH 122 or 141 will be required to take the required prerequisite before proceeding with MATH 122 or 141.
- Students in the College of Arts and Sciences are required to demonstrate proficiency in one foreign language equivalent to the 122 course through course credit or the corresponding foreign language placement score.
- The [Carolina Core](#) provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
- The College of Arts and Sciences requires one U.S. History and one non-U.S. History course, both of which must be chosen from the approved Carolina Core GHS courses. Whichever is not fulfilled through the Carolina Core GHS requirement must be fulfilled through this college requirement.
- The cognate is intended to support the course work in the major. The cognate must consist of twelve hours of courses at the advanced level, outside of, but related to the major. In place of a cognate, a student may choose a minor consisting of at least 18 credit hours of courses concentrated in one area that follow a structured sequence. A second major eliminates the minor/cognate requirement.
- Geography Major Courses (9 credit hours): At least 2 courses from the major must be from the 500-level.

Choose from the following:	
GEOG 349 Cartographic Animation (3)	GEOG 562 Satellite Mapping and the Global Positioning System (3)
GEOG 535 Hazards Analysis & Planning (3)	GEOG 563 Advanced Geographic Information Systems (3)
GEOG 541 Advanced Cartography (3)	GEOG 564 GIS-Based Modeling (3)
GEOG 542 Dynamic Cartography (3)	GEOG 565 Geog. Info. Systems (GIS) Databases & Their Use (3)
GEOG 551 Principles of Remote Sensing(3)	GEOG 575 Digital Techniques & Applications in Remote Sensing (3)
GEOG 552 LiDARgrammetric & Photo. Digital Surface Mapping (3)	GEOG 341, 345, or 531 may be used, if not used above
GEOG 554 Spatial Programming (3)	

- No courses of a remedial, developmental, skill-acquiring, or vocational nature may apply as credit toward degrees in the College of Arts and Sciences. The College of Arts and Sciences allows the use of the Pass-Fail option on elective courses. Further clarification on inapplicable courses can be obtained from the College of Arts and Sciences.
- GEOG 595 can be used to fulfill up to 3 hours of geography elective credit, but not the 500-level requirement.

### Program Notes:

- Courses identified as “critical” must be completed in the student’s first 60 semester hours of work in order for these courses to be credited toward graduation.
- Any exceptions or additional options in the Geography major may be made with the consultation and approval of the departmental advisor.
- BA with Distinction in Geography (36 hours): Available to students majoring in Geography who wish to participate in significant research activities in their major field under the supervision of a faculty mentor. A minimum GPA of 3.50 in the major and 3.30 overall is required to apply for a BA or BS with Distinction in Geography. Requirements:
  - Students must submit a written application for the BS with Distinction in Geography at least eight months before completion of the degree.
  - Written sponsorship agreement from a Geography faculty mentor on file in the department.
  - An established thesis committee consisting of a tenure-track faculty member in Geography & at least one other tenure-track or research faculty member at the University of South Carolina.
  - A written thesis demonstrating significant original work and approved by the thesis committee.
  - A public presentation of the Senior Thesis research.
  - General major requirements, plus 12 additional credit hours including: a minimum of 9 credit hours in GEOG 498, or any GEOG 500-level courses, and GEOG 499-Senior Thesis (3).
- The last 30 credit hours toward your degree must be earned in residence at the University of South Carolina-Columbia.

**University Requirements:** Bachelor’s degree-seeking students must meet Carolina Core (general education) requirements. For more information regarding these requirements, please visit the [Carolina Core](#) page on the University website.
