Graduation Requirements Summary

Minimum Total Hours	Minimum Major Requirements Hours	College & Program Requirements Hours	Carolina Core Hours	Minimum Institutional GPA
120	36	40-52	32-44	2.000

- Regardless of individual course grades, students must maintain a minimum 2.000 cumulative GPA.
- Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
- The [Carolina Core](#) provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
- Students who place into MATH 111, 111i, or 115 will be required to successfully complete the corresponding prerequisite before taking MATH 122 or 141. MATH 111, 111i, or 115 may be used as an approved elective. Students who start with MATH 111, 111i, or 115 should use the following sequence for the first three semesters:

Semester One	Semester Two	Semester Three
ENGL 101	ENGL 102	ENVR 201
BIOL 101 & 101L <i>or</i> MSCI 101	BIOL 102 & 102L <i>or</i> MSCI 102	STAT 201, 205, 509, or 515
MATH 111, 111i, or 115	MATH 122 or 141	CHEM 111 & 111L
History	ENVR 101 & 101L <i>or</i> GEOL 101, 103, 201, or GEOG 121	POLI 201
UNIV 101 <i>or</i> other Carolina Core Requirement	Foreign Language <i>or</i> other Carolina Core Req.	Foreign language <i>or</i> other Carolina Core Req.

- Students in the College of Arts and Sciences are required to demonstrate proficiency in one foreign language equivalent to the 122 course through course credit or the corresponding foreign language placement score.
- Students may also take STAT 509 or 515 to fulfill this requirement, but would be required to complete an additional Carolina Core ARP course to fulfill that requirement.
- The College of Arts and Sciences requires one U.S. History and one non-U.S. History course, both of which must be chosen from the approved Carolina Core GHS courses. Whichever is not fulfilled through the Carolina Core GHS requirement must be fulfilled through this college requirement.

- Selected Courses with Advisor Approval (9-10 hours):** Students, in consultation with their advisor, will develop a program of study to meet their educational goals in environmental studies courses. All courses may be selected from ENVR courses, but if not ENVR courses, then no more than 2 courses should be selected from a single discipline. The list of courses from which students may select their addition major courses, in consultation with their advisor, is located on the Bulletin.
- No courses of a remedial, developmental, skill-acquiring, or vocational nature may apply as credit toward degrees in the College of Arts and Sciences. The College of Arts and Sciences allows the use of the Pass-Fail option on elective courses. Further clarification on inapplicable courses can be obtained from the College of Arts and Sciences.

Program Notes:

- Courses identified as “critical” must be completed in the student’s first 60 semester hours of work in order for these courses to be credited toward graduation.
- Environmental Studies majors may enroll in a major course a maximum of twice to earn the required grade of C or higher. For the purposes of progression, withdrawal with a W does not constitute enrollment.
- The last 30 credit hours toward your degree must be earned in residence at the University of South Carolina-Columbia.
