Graduation Requirements Summary

Minimum Total Hours	Minimum Major Requirements Hours	College & Program Requirements Hours	Carolina Core Hours	Minimum Institutional GPA
120	27	49-61	32-44	2.000

- Regardless of individual course grades, students must maintain a minimum 2.000 cumulative GPA.
- Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
- Students in the College of Arts and Sciences are required to demonstrate proficiency in one foreign language equivalent to the 122 course through course credit or the corresponding foreign language placement score.
- The [Carolina Core](#) provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
- The Film and Media Studies program requires a Carolina Core GHS-approved course primarily focused on U.S. History: HIST 111, 112, 214, or another GHS-approved course determined by the College of Arts and Sciences to fit this geographic category *and* FAMS 300. Whichever is not fulfilled through the Carolina Core GHS requirement must be fulfilled through this college requirement.
- The cognate is intended to support the course work in the major. The cognate must consist of twelve hours of courses at the advanced level, outside of, but related to the major. In place of a cognate, a student may choose a minor consisting of at least 18 credit hours of courses concentrated in one area that follow a structured sequence. A second major eliminates the minor/cognate requirement.
- FAMS Major Courses (21 hours): In choosing their electives, majors are expected to individualize their programs of study while becoming broadly knowledgeable about the diverse and increasingly interconnected global media landscape. Students are encouraged to pursue internships, study abroad opportunities, and graduation with leadership distinction.
 - Production Requirement** (3 hours): MART 201, 210, 371, 380.
 - 300-level Electives** (12 hours)
 - Select at least one course focusing on popular narrative forms in mainstream commercial media: FAMS 310-329.
 - Select at least one course focusing specifically on media other than film (e.g., photography, television, games, comics, and/or emerging media): FAMS 330-359.
 - Select at least one course that emphasizes global media: FAMS 360-379.
 - Select at least one course focusing on media forms outside the commercial mainstream: FAMS 380-398.
 - Additional Electives** (6 hours): To complete the major, students should select from the following two courses that will develop skills and deepen knowledge acquired through their previous selection of courses. At least one of these must be a FAMS CC-INT' 500-level course: FAMS 510, 511, 566, 598. The other may be any FAMS course numbered 310 or higher or another course approved by the program director.
- No courses of a remedial, developmental, skill-acquiring, or vocational nature may apply as credit toward degrees in the College of Arts and Sciences. The College of Arts and Sciences allows the use of the Pass-Fail option on elective courses. Further clarification on inapplicable courses can be obtained from the College of Arts and Sciences.

Program Notes:

- Courses identified as “critical” must be completed in the student’s first 60 semester hours of work in order for these courses to be credited toward graduation.
- The program encourages Graduation with Leadership Distinction (GLD) and internships. Students wishing to pursue internships for credit may register for FAMS 499 with the program director.
- Most FAMS classes require students to experience media (films, television shows, games) as preparation for class lecture and discussion. Designated screening times are provided to facilitate collective big-screen experiences. Students unable to attend the designated screening time due to documentable conflicts such as another class, extracurricular activities, or work schedule will almost always be able to work with the instructor to experience the material at another time. Students needing to register for a class that conflicts with a screening time should register for that class and contact our Program Office to add the FAMS class.
- The last 30 credit hours toward your degree must be earned in residence at the University of South Carolina-Columbia.

University Requirements: Bachelor’s degree-seeking students must meet Carolina Core (general education) requirements. For more information regarding these requirements, please visit the [Carolina Core](#) page on the University website.
