REPORT: COMMITTEE ON CURRICULA AND COURSES
(For consideration by the Faculty Senate at its November 4, 2015 meeting.)

Per the USC Policies and Procedures Manual - Academic Affairs section ACAF 2.00 and 2.03 Appendices, any department which has a proposal being recommended by the Committee on Curricula and Courses must have a representative in attendance at the Faculty Senate meeting in which said proposal is to be recommended.

Please contact Chair Kathleen Kirasic (Psychology) in advance of Faculty Senate meeting if errors are noted, either by phone: 777-4137 or e-mail: kck@sc.edu.

(Please note: Unless noted, approvals are effective in the 2016-2017 Bulletin)

1. COLLEGE OF ARTS AND SCIENCES

New Major/Degree Program – Bachelor of Arts with a Major in Global Studies

Students at the University of South Carolina are living in an increasingly globalized context in which economic, social, environmental, and cultural transformations in one part of the world can affect all others. The Global Studies major is a flexible, interdisciplinary degree program that familiarizes students with the complex historical and contemporary relationships and processes that link together people and places. By focusing on themes relating to globalization, the major also encourages students to recognize and to appreciate the world’s diversity. To achieve this end, the major requires students to focus on a particular world region and to attain proficiency in a modern foreign language. The overall aim of the program is to foster in students a critical, global outlook that will allow them to engage with pressing global questions and to thrive in an interconnected world.

GEOG 121 Globalization and World Regions
GEOG 210 Peoples, Places and Environments
LING 101 Linguistics 1: Introduction to Language
POLI 101 Introduction to Global Politics
RELG 101 Exploring Religion

Note: College of Arts and Sciences general education requirements specify that students must take two courses designated as Carolina Core GHS (Historical Thinking); one course must be focused on U.S. history and the other focused on non-U.S. history.

Prerequisites may be applied to general education requirements, where appropriate.

Language Proficiency: Global Studies students must demonstrate proficiency in one modern foreign language, approved by the advisor, at the advanced level by completing 6 hours in language courses numbered 300 and above or the equivalent. Courses in that foreign language at the beginning or intermediate levels (100 or 200-levels), if needed as prerequisites, may be applied to general education requirements, where appropriate.

**Major Requirements (24 credits)**

**I. Foreign language (modern) – Two 300 or above level language courses (6 credits.)**

**II. Global Theme – Two courses selected from one of the following global theme groups (6 credits.) Special topics courses with appropriate content may be applied to the global theme requirement with approval of the advisor.**

- Global Development and Sustainability Studies
- Global Health Studies
- Global Conflict and Security Studies
- Global Cultural Studies

**III. World Region – Three courses selected from one of the following area studies groups (9 credits.) See entries for minors in these areas in the undergraduate Bulletin for lists of approved courses. Special topics courses with appropriate content may be applied to the world region requirement with approval of the advisor.**

- African Studies
- Asian Studies
- European Studies
- Middle East and North Africa (Islamic World Studies)
- Latin American Studies
- Russian and Eurasian Studies

**IV. Major Elective – One course selected from any of the approved global theme or world region courses (3 credits.)**

**International Experience**

Students are strongly encouraged to spend a period of time overseas, preferably in a country where they can develop
their language skills. Participating in a study abroad program or an overseas work experience are two ways to gain an international experience. A period of a semester or full year is most beneficial. Approved study abroad courses may apply to some Global Studies major requirements, with permission of the advisor and the College.

Second Majors

Global Studies majors are encouraged to pursue appropriate second majors, where possible. Students who are declared majors in both Global Studies and a second major may count 3 credit hours of major course work, where applicable, toward both majors.

Priority will be given to students meeting all Moore School of Business freshmen course progression requirements, to include ENGL 101 and 102, SPCH 140 or 230, and either MATH 170 or 142 or PHIL 110, with a minimum grade of C in each of these courses. Transfer students from other institutions must present a minimum cumulative GPA of 3.00 on all college work taken (to include calculus) with a minimum grade of C. Priority will be given to students meeting all Moore School of Business freshman course progression requirements, to include ENGL 101 and 102, SPCH 140 or 230, and either MATH 170 or 142 or PHIL 110, with a minimum grade of C in each of these courses. Students who have taken fewer than 30 semester hours of college work must also meet Columbia campus freshman admission requirements.

**Progression Requirements**

The requirements stated below are minimum requirements and are subject to change as stated in the last paragraph of this section. To continue in the sophomore year of the prebusiness division of the Moore School of Business, a student must have a minimum cumulative GPA of 2.60 on a minimum of 24 hours. The 24 hours must include ENGL 101 and 102, SPCH 140 or 230, MATH 122 or 141, and either math at the next higher level or PHIL 110, with a minimum grade of C in each of these courses. A student not meeting these requirements must transfer out of the prebusiness division of the Moore School of Business.

To be admitted to the upper division of the Moore School of Business, a student must have a minimum cumulative GPA of 2.60 on a minimum of 48 hours. The 48 hours must include ENGL 101 and 102, MATH 122 or 141, STAT 206, ECON 221/222, ACCT 225/226, MGSC 290/291, with a minimum grade of C in each of these courses.

All majors in the Moore School of Business will be expected to pass all business administration and economics courses with a minimum grade of C. Students must petition to take any business or economics class for a third time. Petitioning does not guarantee permission and based on academic record, some students may be required to change majors or transfer out of the business school.

**Dual Degrees.** Currently enrolled students from other USC colleges who expect to obtain a second baccalaureate degree from the Moore School of Business must meet regular admission and progression requirements of the school and formally apply and be accepted by the school prior to obtaining 75 hours.

**Classes.** Enrollment priority will be given business majors.
225/226, MGSC 290, MGSC 291, and MGMT 250 or ENGL 463, with a minimum grade of C in each of these courses.

All majors in the Moore School of Business will be expected to pass all business administration and economics courses with a minimum grade of C. Students repeating a business administration or economics course more than once may not use the course toward a degree in business administration.

Dual Degrees. Overview

The business administration curriculum allows sufficient flexibility for adaptation to a student’s particular interests and goals. A minimum of 122 hours is required for the B.S. degree in all majors except accounting, which requires 125 hours, and international business, which requires a minimum of 128 hours. They are divided between courses in business administration and general education courses in English, history, foreign languages, natural and behavioral sciences, and other disciplines. All business administration students are required to earn 40 hours in a common core sequence of business subjects. The major field for all majors except accounting and international business* requires 12-21 hours beyond the common core. If a major requires only 12 hours, then a minimum of 9 additional hours of advisor-approved course work in business/economics must be completed. A minimum of 18 credit hours in additional directed general education courses is required.

The school has developed options designed to complement core and major requirements. Information and assistance in the development and selection of options are available through the advising facilities of the school.

*The accounting major requires 24 hours. International business requires a second major in business. International business majors range from 27 to 36 hours, depending on the double major selected.

The Department of Retailing offers a program leading to the bachelor of science degree with a major in retailing (with emphases in retail management and fashion merchandising). These programs emphasize a strong liberal arts background and are designed to prepare students for management positions in their respective fields.

The major in retailing, with options in retail management and fashion merchandising, prepares graduates for managerial careers in the retailing and fashion industries. In addition, the program prepares students for sales careers and ownership of retailing businesses. The program includes a core of liberal arts courses, specialized management courses related to the field, and an internship in the industry.

Course Grade Requirements  
A Bachelor of Science Degree in Retailing consists of the
Carolina Core, Related Coursework, College of HRSM
Required Courses, Major Coursework, Emphasis
Requirements and Electives.
All courses listed under CMW, College Required
Coursework, Related Coursework, Major Coursework
and Emphasis Requirements must be completed with a
grade of C or better.

Carolina Core (31-43 hours)

CMW: Effective, Engaged, and Persuasive
Communication: Writing Component (6 hours)

- ENGL 101 - Critical Reading and Composition
- ENGL 102 - Rhetoric and Composition

ARP: Analytical Reasoning & Problem Solving (6-8 Hours)

- 6 hours of required Math

Option One

You must choose

MATH 122 - Calculus for Business Administration and
Social Sciences
and either:

- Another MATH at a higher level (except MATH
  221 and MATH 222), or
- One STAT course, or
- One CSCE course

Option Two

You must choose two (2) courses in the same field,
except MATH. Choose from either:

- STAT or,
- CSCE
