TO: Faculty Senate

FROM: John Gerdes
Curricula and Courses Committee, Chair

DATE: April 16, 2018

RE: ITEC 242 and RETL 242

The Faculty Senate minutes and associated attachments show the senate voted in favor of a change in a course designator (ITEC to RETL) for ITEC 242 on April 5, 2017. For procedural reasons, the change approved on April 5, 2017 was not carried out. This left the original course (ITEC 242) unchanged. Subsequently, the minutes and associated attachments show that RETL was approved by the Faculty Senate as a new course on November 1, 2017. As a result, both courses are in the 2018-2019 bulletin. The Curricula and Courses Committee recommends accepting the status quo.

Thank you.
