

1. Faculty Advisory would like to bring for consideration of the Senate the following proposed amendment to the Senate bylaws regarding senatorial term limits, changing the last line of Article II, Section 2 to read, "Senators may serve no more than two consecutive 3-year terms and no more than 9 years in a 12 year period."
2. Faculty Advisory brought for the consideration of the Senate at the previous regular February meeting a proposed addition to the Faculty Senate bylaws, which would constitute a new section under Article VI:

*Section 5. By policy or at the request of university officials, the Senate may be asked to confirm faculty appointments to committees constituted by administrative offices. The Steering Committee will bring such nominations to the Senate for approval at the meeting of the Senate immediately following notification, provided that such notification occurs no less than one week in advance of the Senate meeting. Failure of the Steering Committee or the Senate to act on such nominations shall constitute approval of the appointment.*

FAC now brings this motion for discussion and a vote.
