

Report for Faculty Welfare

March 22, 2022

Blatt Access

- We have meet with key constituents regarding their concerns about fees.
- FW will work with campus recreation to encourage the submission of an application to support unit allocations in Fall 2022. Faculty Welfare will write a letter of support of this application.

POST-COVID education

- Ongoing conversations with Provost office regarding the use of student evaluations during COVID; ensure faculty and chairs know the current guidance around the use of evaluations.
- Ongoing conversations with Provost office regarding the disparate impacts of COVID for caregivers, particularly women faculty. Strategies for recognizing career disruptions and career (re)development.

Additional Items for discussion

- Working with Provost Office re faculty ADA accommodations
- Working with parking services to ensure faculty continue to have access during special events and after hours.
