MISSION & VALUES

The Office of Fraternity and Sorority Life enhances the undergraduate fraternity and sorority experience at the University of South Carolina by:

1. Enhance leadership, personal and professional development for the fraternity and sorority community.
2. Partner with fraternal organizations and community stakeholders to cultivate community, safety and accountability.
3. Provide support, guidance and mentorship for the operations and strategic growth of the fraternity and sorority community.

We achieve our vision to develop global citizens by enhancing their academic pursuits through a value-based fraternal experience. Our core values are scholarship, leadership, service and friendship.

Due to COVID-19, social distancing, and some virtual operations, much of the reported data is significantly lower than previous semesters. To see previous Greek Reports, please email sagreeks@mailbox.sc.edu with your request.
