Dashboard

This dashboard should be used to get a quick view of the performance of your school on CircleIn.

It features all study action metrics.

Study actions are significant actions taken by a student on CircleIn that indicate engagement and learning.

The screenshot shows the CircleIn dashboard interface. At the top left is the CircleIn logo. A navigation sidebar on the left contains 'Dashboard' (highlighted), 'Courses', and 'Users'. The main content area is titled 'Dashboard' and includes a descriptive paragraph, a date range filter set to '01/01/2023 - 07/17/2023', and a 'Filter By Class' dropdown menu. Below these are 'Study Action Metrics' with a help icon and a download icon. The metrics section displays 'Impressions' with two sub-metrics: 'Class Chat Impressions' at 84,494 and 'Post Impressions' at 2,028. A 'Post Creation' section is partially visible at the bottom. Three callout boxes with blue arrows point to specific features: 'All data can be filtered by date range.' points to the date range filter; 'All data can be filtered by courses.' points to the 'Filter By Class' dropdown; and 'All data is exportable to CSV.' points to the download icon.

All data can be filtered by date range.

All data can be filtered by courses.

All data is exportable to CSV.

The screenshot displays the CircleIn 'Courses' management interface. On the left is a navigation sidebar with 'Dashboard', 'Courses', and 'Feed'. The main content area is titled 'Courses' and includes a description: 'View, add, modify and remove your courses here. To set a role for students, like a tutoring role, select a course below or click the "3 dots" to open a menu and select "Add Enrollments".' Below this are 'Status View' and 'Info View' tabs, a date filter '01/01/2023 - 07/18/2023', and a 'Download CSV' button. A table lists courses with columns for Course ID, Course Name, Section, Term, Students on CI, and Enrollment. A callout box points to the 'Students on CI' column. A second callout points to the 'Intro Env Sciences' course row. A third callout points to a detailed view of this course, which shows metadata like Course ID, Faculty Name, Term, Dates, Students on CircleIn, and Enrollment Count. Below this is a student list table with columns for Login ID, First Name, Last Name, Email, Role, and Join Date.
