CircleIn

Study Together on CircleIn!

Do you set up or join GroupMe, WhatsApp, or Discord Channels for class chats? Create flashcards in Quizlet? Look to Chegg, Study.com, or YouTube for notes and resources? Manage your tasks and to-do lists in Trello, Asana, or Planner? Desire a community where you can help each other pass your class? And earn prizes along the way?!

CircleIn was created with you in mind. It combines all these features in one convenient app provided to you by your school with none of the annoying stuff.
