On the ePAF homepage enter your employee’s name or USC ID in the Search for Person field, then click the Search button.

The results that appear are referred to as Search Cards. Determine the appropriate Search Card by reviewing the EMPL ID (aka USC ID), EMPL record, Department, EMPL Class, and other data presented.

On the appropriate Search Card, click the Related Actions Menu button.
The Related Actions Menu shows all of the actions/eForms which the user has authority to initiate on this specific employee’s EMPL record.

The Job Change eForm is used to make permanent changes to position and/or base salary. FTE Faculty, Temp Faculty, and non-exempt temporary staff position and salary changes are also initiated directly on the Job Change eForm.

From the Related Actions Menu, select the Job Change option.
Completing the Job Change eForm:

1. In the Job Change eForm, first provide an Effective Date for the Pay for Performance increase.
   a. PFPs must be effective at the start of a pay period, either the 1st or the 16th of the month.

Since FTE faculty do not have position descriptions, all the position related fields on the Job Change eForm are unlocked for edit. **However, PFP submissions should not be accompanied by any other change requests.**

2. Scroll to the Compensation Information section.
3. Enter the **New Comp Rate** for the PFP increase and click the tab button on your keyboard. This will calculate the **Percent Increase or Decrease** field. Note that entering the **Percent Increase or Decrease** and clicking the tab button will then populate the **New Comp Rate**.

Upon entering the increase, a new question will appear: **Is this pay for performance?** (this does not appear until you have entered a salary increase).

4. Click the drop-down menu button and select **Yes**. This step is crucial as it signals to the eForm to populate the required PFP criteria.

5. Upon selecting **Yes** to **Is this pay for performance?** the **Pay for Performance Criteria** appear. You must select one or more of the criteria options. **eForms submitted without the Pay for Performance Criteria will be recycled for edits which may delay the effective date of the action as PFPs cannot be approved retroactively.**
The only change that can be submitted with the PFP request is a change to the base salary funding allocation. If the PFP is associated with a change in funding distribution, take the optional step 6 listed below.

6. **Optional** – If a funding change is needed you can click the Select Funding button to change the funding allocation. If additional sources are needed for funding, click the plus + button to add a new funding row. **Total Percent** must equal 100.00 across all rows of funding. The funding change will be effective the same date as the PFP.

7. Click the **Next** button.
8. The Action and Reason will prepopulate based on the entries made in the eForm. Action is always Pay Rate Change and Reason is always Performance Increase. Note if the Reason does not prepopulate, stop and click the Previous button to review your work. Likely you did not select Yes to the is this pay for performance? question which also means you did not select the required criteria.

9. No attachments are required for this submission. If you have an attachment, click the Upload button and follow the on-screen prompts to attach the document from your device.

10. Click the Submit button.
11. The eForm has been successfully submitted! Always click the View Approval Route button to see the workflow steps for the action.

12. The Approval Route shows the workflow steps for the specific action you submitted. All HR eForms route to Approver 1 and Approver 2 (internal to your Department, College/Division, or Campus) and the applicable central HR office.
   a. Faculty PFP requests will route to the Provost Office for approval prior to final authorization at HR Operations.
   b. Payroll is not in the workflow for any HR eForm, rather they have view access to all eForms. This workflow step will always say Not Routed.

13. Upon review of the workflow, click the Done button.

You have successfully initiated a Pay for Performance request for FTE faculty!
