OSHA's Form 300A  (Rev. 01/2004)  
Summary of Work-Related Injuries and Illnesses  

All establishments covered by Part 1904 must complete this Summary page, even if no work-related injuries or illnesses occurred during the year. Remember to review the Log to verify that the entries are complete and accurate before completing the summary. 

Using the Log, count the individual entries you made in each category. Then write the total below, making sure you've added the entries from every page of the Log. If you had no cases write "0". Employees, former employees and their representatives have the right to review the OSHA 300 in its entirety. They also have limited access to the OSHA Form 301 or its equivalent. See 29 CFR Part 1904.35, in OSHA's recordkeeping rule, for further details on the access provisions for these forms.
