4. The committee discussed the position description and members offered minor changes and additions. They decided that the final version of the PD would be ready to go to Human Resources by Friday, November 5, 2021 for posting on the University's job openings website.
5. The committee discussed and decided that the job advertisement would be posted and they would accept applications until December 31, 2021. While the advertisement will only be posted on the University's website, it is not excluding anyone from outside the University, if they choose to apply.
6. After discussion, the committee decided that the timeline of the search process should be as follows:
  - A. First week in December – Meet with Dr. Pastides to charge the committee
  - B. Second week in December – Begin reviewing the applications that have been submitted
  - C. Once the advertisement is closed on December 31, the committee will review any additional applications that have been submitted since the meeting the second week in December.
