

Office of the Executive Vice President for  
Academic Affairs and Provost

April 27, 2026

Dr. Kevin Sightler, Director of Substantive Change  
Commission on Colleges  
Southern Association of Colleges and Schools  
1866 Southern Lane  
Decatur, GA 30033-4097

Dear Dr. Sightler:

This letter serves as notification to the Southern Association of Colleges and School Commission on Colleges to terminate the Master of Arts in Economics program.

**M.A., Economics**

- The program has been replaced with the Master of Science in Quantitative Economics implemented in Fall 2025.
- Currently enrolled students will either transfer to the new Master of Science in Quantitative Economics or finish in the Master of Arts in Economics.
- The decision to close the program was made on approximately April 17, 2024. Closure of the program was communicated to faculty, staff and students through several forms of communication (via email, direct mail, face-to-face, advisors, website, and staff and faculty meetings).
- There will be no direct impact to faculty and staff because of this closure as there is sufficient work and responsibilities for faculty and staff after closing this program.

The University of South Carolina Columbia will terminate the program effective Fall 2026 and currently enrolled students will have graduated or transferred to other programs by Fall 2030.

Please let us know if you have any questions regarding this notification.

Sincerely,

Provost Mary Anne Fitzpatrick, Ph.D.  
Executive Vice President for Academic Affairs  
USC Educational Foundation Distinguished Professor

MFP/TH
