Hello, student organization leaders!

Caring for Ourselves, Protecting Our Community

What should you do if you or a member of your student organization experiences symptoms of COVID-19? The university has a plan in place to care for students who test positive for COVID-19 and for students who have been exposed. There are necessary procedures that every university community member must adhere to in order to get the care they need and to protect the campus community.

If you have additional questions or concerns that have not been addressed on this site, contact the Coronavirus Phone Bank at (803) 576-8511 or submit an inquiry through the online form.
Student Org Funding Requests

Student organizations may request funding for programming, conferences, competitions, and tournaments using the Garnet Gate budget request form. Organizations are encouraged to work with their Comptrollers as a resource throughout the allocation process. We know you have great ideas for programs this year – let's make those a reality!

Student Org Space Lottery

If your organization is looking to host an event in Russell House during Spring 2022, please fill out the Student Organization Priority Scheduling Form. Whether you're planning a performance for the entire campus or just for your organization, this form allows you to reserve the space before everyone else on campus is able to reserve space. Recurring meetings will be submitted through 25Live on Nov. 15.

Requests for Phase One of Priority Scheduling are handled via appointments with any member of the organization listed and verified on the Garnet Gate roster. Student Organizations may participate up to two (2) times during Phase One, and appointment scheduling is determined by a randomization process to ensure fairness of access for all organizations for round one, and then again for round two. Spaces that are available for scheduling in Phase One are the Russell House Ballroom, Russell House Theater, Russell Underground, Greene Street, Russell House Patio, Davis Fields, Rutledge Chapel and the Gressette Room.

Please reach out to Ryan Gross with any questions.
