Parking & Transportation Services handles registration for all vehicles parked on campus and manages the university's parking policies and regulations. Parking & Transportation Services can help you register your vehicle, bicycle and moped, pay a parking ticket or find information about UofSC Transit buses.

Two Types of Parking on Campus

1. Surface Parking

A surface parking permit grants parking based on availability in designated lots around campus, but it does not guarantee a parking space. Visit our campus map at sc.edu/map to view the designated lots for students.

- S Permit: Resident on campus
- CS Permit: Commuting student (Non-resident)

2. Garage Parking

Garage parking guarantees a parking space in the selected garage. Students may select one garage where their permit will be valid. Garage spaces are sold on a first-come, first-served basis. Each garage, with the exception of Pendleton St. Garage, are accessed with your CarolinaCard.

Students may select one of the following garages (clearances listed):

- Athletic Village Garage (8'2")
- Blossom St. Garage (6'1")
- Bull St. Garage (8')
- Pendleton St. Garage (6'10")
- Senate St. Garage (7')

How To Register

1. Log into your my.sc.edu account.
2. Under the Personal tab, select View parking permits, citations and appeals.
3. Log into your Parking Portal account using your university username and password.
4. Select Permits from the top panel.
5. Select "Get Permits" from the drop-down menu.
