Step 4: Click the Timesheet option from the list.

Step 5: To enter time for a specific employee, begin by clicking the Filter button.
Step 6: To find a specific employee, enter their USCID in the Employee ID field. As you begin entering the ID, employee names populate below.

Step 7: Click Done to move on to the Enter Time page.

Step 8: Click the Employee Name/Tile line to view the Enter Time page.
In this example, the employee worked the holiday and requested to receive a payout for the hours worked. As the Manager you can enter time on behalf of employees in your area.

**Step 9:** Be sure to select the correct timesheet for the work week. Use the **Arrows** to navigate to the appropriate timesheet.

Notice the holiday is highlighted in yellow and under the View Legend link the holiday date and name is spelled out in bold.

**Note:** 28 day police submit their timesheets on a 28 day basis, rather than weekly like other employees. Generally, hours worked are entered each week and **Saved for Later.** At the end of week 4 hours worked are entered and then the entire 28 day’s timesheet is **Submitted.**
Step 10: Begin by selecting the appropriate Time Reporting Code (TRC).

You can only have one TRC per line.

Step 11: Click the Time Reporting Code drop-down arrow.

Step 12: Select REGHR – Regular Hours.

Step 13: On this first line, click in the Time Entry field and enter hours worked for each day that is not a holiday. This week the employee was authorized to work overtime to assist with an unforeseen absence of a fellow officer.
Step 14: To enter the hours worked on the holiday, click the Plus (+) button to add a second line.

Step 15: Click the Time Reporting Code drop-down arrow.

Step 16: Select REGHR – Regular Hours.
Step 17: Click in the **Time Entry** field and only enter hours worked for the holiday.

Step 18: To request a payout for the hours worked on the holiday, click the **Look up Comp** button and select the **Holiday Worked Hours Payout (HOLPAYOUT)** option from the list.
Notice **HOLPAYOUT** is now populated in the Comp Time field. This prompts the system to payout the time worked on the holiday.
**Step 19:** You are done entering time, but you are not ready to submit. Click the **Save for Later** button to save the entered time on this timesheet.

**Step 20:** Click the **Yes** button to indicate you would like to validate the time. This will populate the Reported hours at the top of the timesheet.
Step 21: A warning message appears to advise that you reported regular working hours (including overtime hours) on September 5th which is a university holiday. Click the OK button to save your reported time.
Step 22: When Saved for Later, the Saved icon appears for the days’ time is entered indicating the timesheet has been updated but not yet submitted for approval. Click the View Legend link to view the legends used and a short description of each one.

The most common icons that may appear in the Daily Status box are:

- ⚠ The user has an exception that needs to be fixed before submitting the timesheet.
- 🔄 The timesheet has been saved for later.
- ✅ The time entered has been submitted and is pending approval.
- ✔️ The entered time has been approved.
When entering hours for the remaining 3 weeks, be sure to enter the hours on the line that doesn’t have the HOLPAYOUT indicator.

**Step 23:** You are ready to submit your timesheets for the 28 day cycle from August 28 – September 24, 2022. Upon clicking the Submit button a warning message appears to advise that you reported regular working hours (including overtime hours) on September 5th which is a university holiday.

Once the timesheet has been submitted correctly, you will see a message across the top of the screen saying that the timesheet has been submitted successfully. Also, an email is generated that will automatically be sent to you and your supervisor's inbox.

When a timesheet is entered by a Manager on behalf of an employee, additional approval is not required as indicated by the white check in the green circle.
Step 24: When submitted, the Approved icon appears for the days’ time is entered indicating the timesheet is approved. Click the View Legend link to view the legends used and a short description of each one.
