Completing the Alternative Testing Agreement

The Alternative Testing Agreement is an agreement between the student(s) and the instructor. Instructors can specify details of all exams associated with each course and section.

The Testing Agreement must be completed before the student(s) submits an exam request. The absence of the course’s Testing Agreement will result in the student’s inability to test in the SDRC Test Proctoring Suite.

Faculty Notification Letters contain the link to the course’s Alternative Testing Agreement form. This link is located inside a red rectangular box in the email. **Note:** This Testing Agreement link only appears if the student is eligible for Alternative Testing as an accommodation. Click on the “Alternative Agreement hyperlink or copy and paste the link to your browser to complete the agreement.

**Alternative Testing Agreement and Purpose**  
The Alternative Testing Agreement is a form designed to gather general information about the testing experience for students in your classroom for this specific course and section. The Student Management System used by the SDRC requires that the course instructor for the requested section complete a general information form to provide the SDRC with information on proctoring the exam for your course. |

If you have any questions regarding this, please feel free to contact us at SDRCTEST@sc.edu, 803-576-8457, or by visiting our Test Proctoring office at Close-Hipp Room 203 between 8:00AM to 5:00 PM Monday through Friday.

- Instructor AIM Portal  

If you teach more than one course, you are required to fill out this agreement for each course. However, if you would like this agreement to apply to other sections you can complete this action in the Instructor AIM Portal, or email us at SDRCTEST@sc.edu.  

**Accommodation Issue Reporting Policy**  
If a student does not feel they have received the appropriate or correct approved accommodations, they have been instructed to stop the test/quiz immediately and notify both the SDRC and their professor of this issue. Students are encouraged to provide photographic evidence.  

**Alternative Testing Agreement Instructions**  
Complete all questions for the Testing Agreement. Please be advised that a student cannot schedule a certain exam type (e.g. final) if the field is left blank. Make sure all necessary fields are completed in the EXAM TYPE(S) section of the Testing Agreement.  

**Changes in Testing Hours**  
Exams must be scheduled for times that fall within the hours of 8:00AM-5:00 PM Monday-Fridays. This means the exam will need to be completed at or before 5:00pm (M-F) using approved testing accommodations. Exams that fall outside of the Testing Center’s hours of operation must be scheduled at least 5 business days prior to ensure a Night Proctor is scheduled.  

**Changes in Delivery/Upload Deadline**  
Professors are responsible for providing all testing materials to the SDRC no later than 12:00 PM the day before the exam. If these materials are not delivered/uploaded by this deadline, the SDRC reserves the right to reschedule the exam based on the student’s availability.  

**Note:**  
As the instructor, you can apply your Testing Agreement to multiple sections by logging into your Instructor AIM Portal. If you would like assistance with this process, please let us know. The process of applying/copying this information to other sections is completed manually by the SDRC staff so it may take some time to enter this information.  

**Important Note Regarding Email Notifications:**  
When providing your email if you select for exams to be returned via scan, you should provide the email listed on the university feed (i.e. what is listed on Self Service Carolina), as this is what our system uses for communication purposes. If you utilize an email account other than your university-assigned account (e.g. gmoore.sc.edu, gmallie.com, etc.) you will need to communicate with your department IT to obtain guidance on how to forward our emails to your preferred email address.
