MINUTES

Today's Meeting Goal: *To discuss the Bar Outreach Training model*

- I. Introductions/Sign-In Janie Kerzan
19 people in attendance representing SAPE, OCSS, OSC, Student Health/SAVIP, USC PD, FSL, and Student Life

- II. Trending Article & Featured Coalition Janie Kerzan
Article: [DUI Stings, Checkpoints, Ad Campaigns: Are They Working?](#)
Coalition Best Practice: [Operation Prevent in Full Force](#)
 - Prevention + Enforcement go together.
 - Perception of enforcement shapes citizen behavior in addition to actual enforcement. Reporting DUI checkpoints (particularly by Drinking Ticket), even when they aren't formally set up, seems to have a big impact on student behavior here. Often times, it's just an officer posted somewhere that people call a checkpoint.
 - Discussion on how students learn about Fake ID laws
 - Brief discussion on server training bills proposed this legislative session

- III. [Bar Outreach Training](#) Shannon Nix & Aimee Hourigan
 - STSM leading effort to increase bar outreach related to Drug Facilitated Sexual Assault – most common drug used is alcohol – focus on training bar staff
 - Project started in 2008 by Our Voice in Asheville, NC; now an expectation of local establishments without any legal requirements that bars will complete this training
 - This project helped Our Voice to build relationships with establishment managers & staff
 - Goals: promote safety in bars, inform bar staff and patron about DFSA, create safe plans in the event that someone is drugged/overly intoxicated, promote bystander intervention to sexual assault
 - Model:
 - Volunteer recruitment & training
 - Bar canvassing
 - Training for bar staff
 - Continued communication
 - Goal: We would host first training March 6-8, just ahead of St Pats Five Points.
 - Recruit now, Vol training Feb 1 at 10:30am and 7pm, Canvassing Feb 6-8

- What can you do: sign up as a volunteer, recruit colleagues and students to volunteer, attend a volunteer training, canvas entertainment districts, share info about the training with friends and contacts
