# Educating Campus Leadership Workgroup

1. Increase awareness and communication with administrators and decision-makers about the state of alcohol use on-campus.
2. Develop 2 ways to disseminate the information (goal of a division meeting)
3. Collaborate with several offices for a concise message to administration, faculty and staff.
4. Identify the 5 key messages to promote.
5. Identify the key groups we want target for this information.

# Late-night Options & Programming Workgroup

1. Catalog what is actually happening and the spaces used.
2. Analyze the publicity going on right now.
3. What are the gaps to make it regular and on-going?
4. What are student interested in?
5. What are the experiences of non-drinkers?  
How do they specifically get this information to them?

# Law Enforcement Information & Referrals Workgroup

1. Goal: Increase publicity about enforcement in a productive and useful way to prevent/curb high-risk behaviors. Increase likelihood and perception of being caught.
2. Messaging: What works and how do we get it out there? What do other campuses/communities do to publicize law enforcement efforts and increase perception of being caught?
3. What resources would be needed by OSC and others to increase effective referrals?
4. Explore perception and use of the shuttle.

# Bar Outreach Project Workgroup

1. Continue implementation and partnership with Sexual Trauma Services of the Midlands.
2. Schedule additional volunteer training and bar canvassing.
3. Tap into offer to be part of the bar owners meeting.
4. Identify strategies for recruiting establishments to participate.
