### **Abstract**

The “Campus Safety and Building Security” presentation is presented by a member of the USC Division of Law Enforcement and Safety. The presentation consists of a PowerPoint presentation and videos, which cover many important aspects of crime prevention and campus safety. This includes how to contact law enforcement in the event of an emergency, criminal activity that can occur on and off campus, escort and shuttle services, problem areas for students (alcohol and drugs), social media outlets to disseminate safety information, safety apps, and other helpful resources to assist students in keeping themselves and their property safe on campus.

### **Presentation Learning Outcomes**

*As a result of this presentation, students will be able to:*

- Identify several ways to contact law enforcement in the event of an emergency.
- Be aware of various crimes that occur on and off campus.
- Articulate ways to protect themselves and their property.
- Identify the various shuttle and escort options available to assist students on and off campus.
