Abstract

First-year students will be making significant financial decisions that will impact not only their current well-being, but their future financial situation as well. “Financial Literacy for College Students” is an interactive workshop that will improve students’ financial knowledge through class discussion on a variety of topics, including budgeting and credit cards as well as identifying resources for additional support and information.

Presentation Learning Outcomes

As a result of this presentation, students will be able to:

- Recognize the importance of one's financial situation and how it impacts their future (i.e. post-graduation).
- Understand the fundamentals of a budget, including income, expenses, and savings.
- Discuss the implications of credit.
