**CONDITIONS**

1. Payment required before copies are released. A postage & handling charge of \$3.00 applies to all orders mailed by South Carolina Political Collections (SCPC).
2. Photocopies usually will be made within 1 – 2 weeks. Microfilm orders require longer. Large orders may be mailed in batches at our discretion; each mailing will incur the \$3.00 charge. For microfilm duplication orders, there is a flat mailing fee of \$3.00 for up to three rolls, and \$1.00 per additional roll.
3. Copying is handled by SCPC staff because of the age, condition, and rarity of most of our collections. SCPC reserves the right to limit or refuse photocopying of fragile or oversize items that could be damaged in the copying process.
4. SCPC does not sell photocopies, but merely performs the service of copying. The fee paid is exclusively for such service. SCPC reserves the right to recall any or all photocopies.
5. Special permission for reprinting or reproducing documents, or extensive quotation from any of our holdings must be obtained through written application to the Director, stating the use to be made of the material.
6. All responsibility for questions of copyright and literary rights that may arise in this copying and in the use made of the copies is assumed by the patron.
7. SCPC reserves the right, at its discretion and without explanation: to limit the number of copies; to supply a positive film instead of a negative; and to set special prices on material of unusual difficulty.

**NOTICE REGARDING COPYRIGHT RESTRICTIONS**

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyright materials. Under certain conditions specified by law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these conditions is that the use of the photocopy or reproduction must fall within "fair use," that is, "noncommercial teaching, research, scholarship, or news reporting purposes." If a user makes a request for, or later uses, a photocopy or reproduction in excess of "fair use," that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copy order if, in its judgment, fulfillment of the order would involve violation of copyright law.
