- 4) Answer questions about yourself
- 5) Choose schools to have the information sent to
- 6) Answer “Dependency Status” questions.
- 7) Answer questions about your parents
- 8) Provide 2017 income and tax information
- 9) Provide CURRENT asset information (savings, investments, business)
- 10) Sign and Submit the FAFSA, print your confirmation page

**Start A New
FAFSA**

When you create your FSA IDs, be sure to write them down (a form is provided)

As you progress we will check on you. Raise your hand if you have questions.

When you are finished, print your confirmation page.

Please feel free to have a snack and a drink (but please keep them away from computers)

Please sign out, so we know if you were able to complete the FAFSA
