Student's Name		VIP ID					
 Steps to Completing a Graduation Plan for Financial Aid Satisfactory Academic Progress If you are a first-semester transfer student, view your transcript to ensure that all credits from previous institutions have transferred as you expected. If you believe there are omissions, see the campus Admissions Office. Identify all degree requirements you have not fulfilled including your general education requirements. Map out all of the courses you need to graduate in the order you plan to take them. If there are courses required or a specific GPA required for admission to your major, consider those in your plan. Submit your completed Graduation Plan to your faculty advisor for review and approval. Once you have your advisor's approval, submit your plan to the Financial Aid Office.
