System Faculty Leadership Council

The University of South Carolina System Faculty Leadership Council provides a representative voice in system affairs and facilitates collaboration among the faculty organizations comprised in the University of South Carolina system. With respect to functions the Board of Trustees delegates to University administration, the Council has a consultative function: it represents the will of the system's faculties to such bodies as may be established to administer system affairs and serves as a means by which system administrators may communicate with faculty. The Council coordinates faculty governance in those areas where the Board of Trustees delegates legislative powers to the faculties of individual campuses, including but not limited to standards of admission, granting of earned degrees, and curriculum. In no instance will the Council usurp authority previously delegated to campus faculties by the Board of Trustees.

The Palmetto College Campuses Faculty Senate will provide three representatives to the University of South Carolina System Faculty Leadership Council. The USC Columbia Faculty Senate will elect one of these representatives in consultation with the Palmetto College Campuses Faculty Senate. This representative will serve a three-year nonrenewable term. The PCC Faculty Senate will elect its other two representatives. These representatives will serve two-year renewable terms. The PCC Faculty Senate will elect any other representatives as required by the bylaws of the Council. The chair of the Faculty Senate (or designee) will also serve
