

## Final Exams – Fall 2018

**Note 1:** If your class meets at a time that is not listed, look for the closest one in the table.

**Note 2:** USC's Academic Regulations state that 1) no final exam may be held outside of the scheduled time without authorization from the academic dean, and 2) no quiz, test, or exam may be given during the last week of classes. Students who have conflicting exam times and need help should contact the academic dean.
