<i>Complete Scholarship Name</i>	<i>Application</i>	<i>Deadline Date</i>	<i>Contact Name</i>	<i>Contact Phone Number</i>	<i>Contact E-mail Address</i>
Geological Sciences and Geophysics Scholarship	Yes	April 1	Undergraduate Coordinator	803.777.9823	mcclaryj@mailbox.sc.edu

Awarded to selected majors in Geological Sciences and Geophysics. Both incoming and current majors with a minimum 3.0 GPA are invited to apply. Application available at <http://seoe.sc.edu/scholarships> or by request.

Application Available at: <http://seoe.sc.edu/scholarships>

Environmental Scholars Endowment	No	No	Jacqueline McClary	803.777.9823	mcclaryj@mailbox.sc.edu
---	----	----	--------------------	--------------	-------------------------

The purpose of this endowment is to provide support for students who are currently enrolled, or accepted for enrollment, to an undergraduate or graduate program in the environmental sciences.

Environmental Science and Environmental Studies Scholarships	Yes	April 1	Undergraduate Coordinator	803.777.9823	mcclaryj@mailbox.sc.edu
---	-----	---------	---------------------------	--------------	-------------------------

Awarded to selected undergraduate majors in Environmental Science and Environmental Studies. Both incoming and current majors with a minimum 3.0 GPA are invited to apply. Applications are available at <http://www.seoe.sc.edu/scholarships> or by request.

Green Quad Experimental Education Scholarship	Yes	April 13, 2018	Joe Jones or Laura Lavender	803.777.2093 / 803.777.8312	Jones7@mailbox.sc.edu / maasl@mailbox.sc.edu

These scholarships can support you in study abroad, research, certificate programs, classes, internships and more. The scholarships will be awarded based on the student's completed application, financial need and a panel interview process. Entire, or partial, funding will be awarded based on your need and available funds.

Geological Sciences and Geophysics - Joseph R. LeConte Outstanding Junior Award	No	N/A	Undergraduate Coordinator	803.777.9823	mcclaryj@mailbox.sc.edu
--	----	-----	---------------------------	--------------	-------------------------

Awarded to a junior in Geological Sciences or Geophysics who has an outstanding academic record in the Geosciences program.

Geological Sciences and Geophysics - Joseph R. LeConte Outstanding Senior Award	No	N/A	Undergraduate Coordinator	803.777.9823	mcclaryj@mailbox.sc.edu
--	----	-----	---------------------------	--------------	-------------------------

Awarded to a senior in Geological Sciences or Geophysics who has an outstanding academic record in the Geological Sciences Program.

Marine Science Endowed Student Support Fund	Yes	April 1	Jacquelin McClary	803.777.9823	mcclaryj@mailbox.sc.edu

Both incoming and current marine science majors are eligible to apply for these merit-based scholarships. Awards consist of \$250 per semester for one academic year and are not renewable (but recipients may reapply each year). Minimum GPA of 3.0 required.

Marine Science Program Undergraduate Scholarships	Yes	April 1	Undergraduate Coordinator	803.777.9823	mcclaryj@mailbox.sc.edu
--	-----	---------	---------------------------	--------------	-------------------------

Awards include the Friends of the Baruch Institute Scholarship, the David Odom Memorial Scholarship and the BJ and RJ Canine Scholarship in Marine Science. Both incoming and current Marine Science majors with a minimum 3.0 GPA are invited to apply. Application deadline is April 1: applications are available at <http://www.seoe.sc.edu/scholarships>.

Master of Earth and Environmental Resources Management (MEERM) Graduate Fellowship	Yes	June 1st	Graduate Coordinator	803.777.7170	bradlste@mailbox.sc.edu
---	-----	----------	----------------------	--------------	-------------------------

Awarded to selected MEERM graduate students. All incoming students and students currently in the program are eligible to apply; students must be in good standing. Application and details available on request.

Marine Science - Richard C. Morris Marine Science Scholarship	Yes	February 12	Undergraduate Coordinator	803.777.9823	mcclaryj@mailbox.sc.edu
--	-----	-------------	---------------------------	--------------	-------------------------

The Morris Scholarship is awarded based on demonstration of academic excellence and financial need. Students must have completed 30 hours of coursework at USC as a Marine Science major to be eligible. Applications are solicited in the spring for an award which will be applied to their account for the following academic year.

Sea Grant Student Fellowship	No	N/A	Jean Ellis	803.777.1593	Jellis@seoe.sc.edu
-------------------------------------	----	-----	------------	--------------	--------------------

Graduate student in good standing within their graduate program with excellent GIS skills, ability to construct a web-based platform displaying multiple sea level rise scenarios and storm-water ponds.

Geological Sciences and Geophysics - Stephen Taber Award	No	N/A	Undergraduate Coordinator	803.777.9823	mcclaryj@mailbox.sc.edu
---	----	-----	---------------------------	--------------	-------------------------

Awarded to a student with superior academic achievement in Geological Sciences or Geophysics.

Geological Sciences - Taber Award for Outstanding Doctoral Research	No	N/A	Graduate Director	803.777.7170	GradDir@geol.sc.edu
--	----	-----	-------------------	--------------	---------------------

Awarded based on a nomination of a Geology graduate student by faculty, voted on by Geoscience Grad Committee.

College of Arts and Sciences - School of the Earth, Ocean and Environment

<i>Complete Scholarship Name</i>	<i>Application</i>	<i>Deadline Date</i>	<i>Contact Name</i>	<i>Contact Phone Number</i>	<i>Contact E-mail Address</i>
----------------------------------	--------------------	----------------------	---------------------	-----------------------------	-------------------------------

Geological Sciences - Taber Award for Outstanding Masters Research	No	N/A	Graduate Director	803.777.7170	GradDir@geol.sc.edu
---	----	-----	-------------------	--------------	---------------------

Awarded based on a nomination of a Graduate Geology student by faculty, voted on by Geoscience Grad Committee.

Geological Sciences - Taber Award for Outstanding Teaching	No	N/A	Graduate Director	803.777.7170	GradDir@geol.sc.edu
---	----	-----	-------------------	--------------	---------------------

Awarded to a Geology Graduate student based on teaching evaluations of prior semester.

MEERM-Terracon USC Scholarship	Yes	Funds available basis	Jacqueline McClary	803.777.9823	mccclaryj@mailbox.sc.edu
---------------------------------------	-----	-----------------------	--------------------	--------------	--------------------------

Applicant will be selected based on a competitive GPA, will preferably be in their first year of the MEERM program and the recipient will have identified a focus area in hydrology, remediation, or natural resources evaluation in which to complete their thesis or internship.

Geological Sciences and Geophysics - The Distinguished Academic Achievement Award	No	N/A	Undergraduate Coordinator	803.777.9823	mccclaryj@mailbox.sc.edu
--	----	-----	---------------------------	--------------	--------------------------

Award for students with senior standing in the Geological Sciences or Geophysics program who have established a distinguished

record of academic achievement.

Marine Science - The F. John Vernberg Bicentennial Fellowship in Marine Science	Yes	N/A	Dr. James Pinckney	803.777.5288	pinckney@sc.edu
--	-----	-----	--------------------	--------------	-----------------

Awarded to University of South Carolina Master's or Ph.D. student whose research is being conducted with the Baruch Institute and is in the subject of marine science. The award may be used for any educational purpose. The award is \$1000. Application is in the Spring semester. Application period and deadline are announced/posted.

Marine Science - The F. John Vernberg Graduate Fellowship in Marine Science	Yes	N/A	Dr. James Pinckney	903.777.5288	pinckney@sc.edu
--	-----	-----	--------------------	--------------	-----------------

Awarded to University of South Carolina graduate student who has completed all of the requirements for the Ph.D. degree, except for the dissertation, in the subject of marine science. The student's research will have been conducted with the Baruch Institute. The award may be used for any educational purpose. The award is \$1000. Application is in the Spring semester. Application period and deadline are announced/posted.

Geological Sciences and Geophysics Graduate Scholarship	No	N/A	Barbara Barnes	803.777.3120	barnesbh@mailbox.sc.edu
--	----	-----	----------------	--------------	-------------------------

This scholarship is awarded to a doctoral student in geological sciences or geophysics near the end of his/her graduate career.

<i>Complete Scholarship Name</i>	<i>Application</i>	<i>Deadline Date</i>	<i>Contact Name</i>	<i>Contact Phone Number</i>	<i>Contact E-mail Address</i>
GeoScholar Scholarship Program	Yes, electronic submission to SCGEOSCH@mailbox.sc.edu	March 25, 2016	Claudia Benitez-Nelson	803.777.0018	cbnelson@geol.sc.edu

GeoScholar Scholarship Recipients may receive up to \$7910/year in financial aid and housing in their first year and \$5000/year thereafter, renewable up to four years. In certain circumstances, students may be eligible for a 5th year of aid. This a four-year value worth approximately \$22,910 and the award may be combined with other sources of state and federal-based aid.

Benefits include: a series of common courses and academic support programs, research opportunities, and one on one mentoring with faculty throughout the year. All activities are fully integrated with the geoscience majors. First year students are housed together in the Green Quad, a centrally located LEAD certified facility.

Geoscience degrees eligible for the award include the following academic degree programs within the School of the Earth, Ocean, & Environment: Environmental Science, Geology, Geophysics, and Marine Science.

Expected GEO-Scholar awards: 6 - 8 new scholarships each year.

Eligible Students: Academically talented students majoring in the geosciences who demonstrate financial need with recruitment emphasis on students that are historically under-represented in the geosciences, including students who are African American, American Indian or Alaska Native, and Hispanic or Latino, female, first generation college students, and students with disabilities. Non-traditional and transfer students are also encouraged to apply.
