### Dr. J. Hugh Bradburn Scholarship in Civil Engineering
- **Application**: Yes
- **Deadline Date**: March 1st
- **Contact Name**: Dr. J. Hugh Bradburn
- **Contact Phone Number**: 
- **Contact E-mail Address**: 

Awarded to a full-time undergraduate student who is a rising junior or senior in Civil Engineering and who meets the following requirements: U.S. citizen; resident of South Carolina; graduated from a South Carolina high school; enrolled full-time at USC; and demonstrates financial need.

### Dr. Joseph H. Gibbons Scholarship
- **Application**: Yes
- **Deadline Date**: March 1st
- **Contact Name**: Dr. Joseph H. Gibbons
- **Contact Phone Number**: 
- **Contact E-mail Address**: 

Awarded to a worthy undergraduate student majoring in Chemical Engineering.

### Dr. Julius Kronrad Scholarship
- **Application**: Yes
- **Deadline Date**: March 1st
- **Contact Name**: Dr. Julius Kronrad
- **Contact Phone Number**: 
- **Contact E-mail Address**: 

Awarded to the most outstanding student in the Department of Chemical Engineering.

### Dr. Nathan E. Hardwick Schlp in Mech Engineering
- **Application**: Yes
- **Deadline Date**: March 1st
- **Contact Name**: Dr. Nathan E. Hardwick
- **Contact Phone Number**: 
- **Contact E-mail Address**: 

Awarded to a worthy undergraduate Mechanical Engineering student with preference given in the following order: (1) attended East Carolina Academy (Loris, South Carolina) (2) graduated from Loris High School (3) permanent home in Dunwoody, Georgia (4) College of Engineering and Information Technology scholarship committee recommendation. The award is for four years as long as student maintains the appropriate GPA.

Awarded to a worthy undergraduate student majoring in Civil Engineering.

Awarded to students from underrepresented populations in the Pee Dee Region of South Carolina, which includes Chesterfield, Darlington, Dillon, Florence, Georgetown, Horry, Marion, Marlboro, and Williamsburg counties.

Awarded to a worthy undergraduate student majoring in Chemical Engineering in the College of Engineering and Computing.

Awarded by the Scholarship Committee of the College of Engineering and Computing to an incoming freshman from the South Carolina Governor's School for Science and Mathematics. Preference given to students pursing a major in Chemical Engineering, Computer Engineering, Computer Science, Electrical Engineering, or Mechanical Engineering. The recipient(s) must be a full-time
student, maintain an overall GPA of 3.0, and remain in the College to retain the scholarship.

---

**Milliken & Company Scholarship**  Yes  March 1st

Awarded to a sophomore or junior in each of the following majors: Chemical Electrical Engineering, and Mechanical Engineering. A minimum GPA 3.4 is required. U.S. citizens enrolled full-time that are residents of South Carolina, North Carolina, and Georgia are eligible for these scholarships. Financial need will be used as a determining factor in the selection process.

---

**Mr. and Mrs. Edward McGrady Henderson Scholarship**  Yes  March 1st

Awarded to a worthy junior or senior undergraduate student majoring in Civil Engineering who is a resident of South Carolina.

---

**Neva and Joe Gibbons Biomedical Engineering Scholarship**  Yes  March 1st

Awarded by the College of Engineering and Computing Scholarship Committee to a full-time student majoring in Biomedical Engineering who meets general scholarship requirements.

Provide support for scholarship(s) at the University of South Carolina in the College of Engineering and Computing, Department of Computer Science and Engineering.

| Lewis M. Caswell Expanded Life Scholarship (ECELS) | No | March 1 | Becky Mayo | 803.777.1461 | mayo@cec.sc.edu |

These scholarships are intended to cover the difference between LIFE scholarship and in-state tuition for four years if the student maintains a 3.0 grade point average, remains a student in Mechanical Engineering and/or any other requirements made by the State of South Carolina in order to continue his/her LIFE scholarship.

| MAc and Claudia Timmons Memorial Endowed Scholarship | No | March 1 | Becky Mayo | 803.777.1461 | mayo@cec.sc.edu |

Awarded to a student of strong academic achievement who has demonstrated financial need.

| Edward B. Cantey, Jr. Fellowships in Chemical Engineering | No | March 1 | Becky Mayo | 803.777.1461 | mayo@cec.sc.edu |

Fellowships for graduate students in the Department of Chemical Engineering in the College of Engineering and Computing. The
fellowships will be awarded to worthy graduate students by the Graduate Fellowship Committee in the Department of Chemical Engineering.

**Eugene Steadman, Jr. Endowed Scholarship**

Awarded to an undergraduate majoring in Chemical Engineering. Preference will be given to South Carolina residents with financial need.

**IGERT: Functional Nanomaterials for Sustainable Energy**

IGERT fellowships are available for motivated students from engineering, chemistry, physics, materials science, and related fields. Students with a B.S. and/or M.S. degree in these fields are encouraged to apply. The IGERT PhD Fellowship support includes full tuition and fees, and a stipend of $30,000 for the full academic year. The Fellowship is a two-year Fellowship and only open to U.S. citizens or permanent residents, who are applying to the doctoral degree in one of IGERT participating departments. This Integrative Graduate Education and Research Traineeship (IGERT) award provides PhD students at the University of South Carolina at Columbia with the unique training and skill sets to advance the science and engineering of nonmaterials for sustainable energy generation. Trainees are collaborating in interdisciplinary research teams to receive a technical education in alternative energy production and to gain experience in technology commercialization, entrepreneurship and science communication.

The scholarship(s) will be awarded by the College of Engineering and Computing to eligible undergraduate student(s) majoring in Electrical Engineering.

The scholarship(s) will be awarded to eligible undergraduate student(s) majoring in Computer Science and Engineering.

Awarded to an African American undergraduate student, rising sophomore and above, with a minimum GPA of 3.2. Applicants must be U.S. citizens or have permanent resident status and must be pursuing one of the following majors in the College of Engineering and Computing: Computer Science, Electrical Engineering, or Mechanical Engineering.

$590 Fellowship will be awarded to a worthy graduate student.

Awarded by the Scholarship Committee of the College of Engineering and Computing to worthy students, with preference given to rising third-year undergraduate students focusing on research and capstone projects.

The purpose of this fund is to provide support for undergraduate students, graduate students, and/or academic needs of the Advanced Railroad Technology program in the Civil and Environmental Engineering department of the College of Engineering and Computing. Awarded at the discretion of the department.
