The Kensley Fuller Memorial Endowed Scholarship Fund	Yes	December 15	Jerel Arceneaux	803.216.3629	jerela@uscmed.sc.edu

The scholarship, which is being established in memory of Kensley Fuller, a beautiful and loving six-year-old girl who passed away after a brief illness, will be available to student entering the School of Medicine and will be awarded by the School of Medicine's Scholarship Committee to an incoming freshman student and remain with the same recipient for four years, as long as she/he maintains a GPA of at least 3.6. The Donors and their daughter, Mercedes Livingston, or the Donors' designated representatives may serve on the Committee, but shall not be the majority of the Committee. The preference is for applicants to have an incoming GPA of at least 3.6. The applicant will be required to complete an application, which will include a personal essay explaining the reason or purpose for pursuing a medical degree and the applicant's personal and career goals and objectives. Preference may be given to applicants with a history of community service involvement.

The John D. & Patricia L. Beckler Foundation in Alzheimer's & Cognitive Disease Fund	No	N/A	Susan Butler	803.216.3317	susan.butler@uscmed.sc.edu
---	----	-----	--------------	--------------	----------------------------

A candidate for the fellowship will be a first- or second-year Biomedical Sciences PhD student in good academic standing at the School of Medicine. The selection process will begin with the identification of appropriate applicants to the Integrated Biomedical Sciences Program, with the awardee being selected on the basis of academic record, desire for a career in neurobiology of aging research, and commitment to the project as the basis for the doctoral thesis. The candidate(s) will be interviewed and selected by the co-mentors, Dr. Larry Reagan and Dr. Jim Fadel, as well as the chair of Pharmacology, Physiology and Neuroscience, Dr. Marlene Wilson.
