

# COMING SOON!

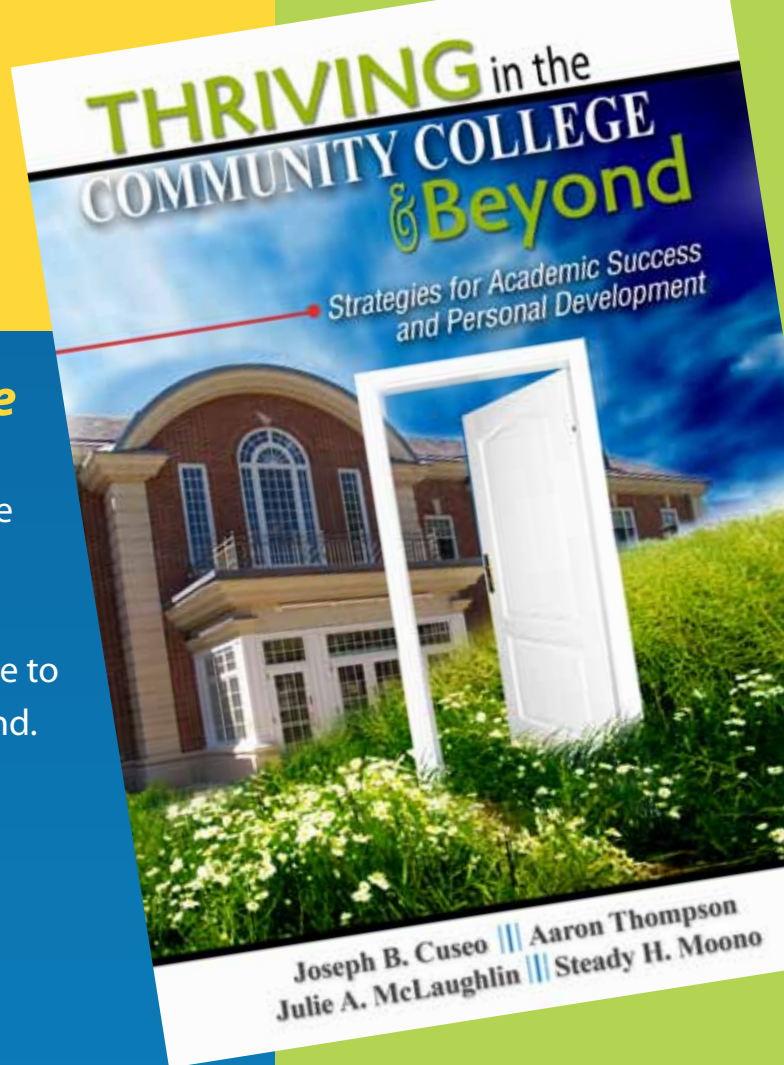

***Thriving in the Community College & Beyond*** is a comprehensive and knowledge focused book written specifically to students in the community and technical college. This book lays out an academic, social and emotional process in language that community college students can use to follow throughout their college success and beyond.

## ***Topics Include:***

- ◆ Principles of community college success
- ◆ Self-awareness
- ◆ Goal-setting
- ◆ Learning Strategies
- ◆ Time management
- ◆ Money management
- ◆ Test-taking and study skills
- ◆ Communication and relationships (conflict management)
- ◆ Higher-level learning
- ◆ Diversity
- ◆ Educational planning
- ◆ Health and wellness

## ***Book Features:***

- ◆ Case studies at the end of each chapter
- ◆ Relevant personal stories from the authors
- ◆ *Who's in Charge?* Scenarios
- ◆ Pause for Reflections throughout the chapters
- ◆ Perspectives from former first-year students
