Pre- and Post-Course Test Results

	Pre-Test		Post-Test	
	Average	% Agree	Average	% Agree
In the future, I plan to work in the field discussed within this Professional Pathways seminar.	3.99	69%	4.18	78%
I understand how to prepare for a career in this field – what courses to take, what experiences would be beneficial – and the career paths I might pursue to become a professional in this field.	3.07	40%	4.44	97%
I understand different roles within this field and am aware of how duties vary across roles.	2.92	24%	4.36	97%
I am aware of the ways that this field affects other disciplines and society as a whole.	3.5	59%	4.63	98%

* The “Average” is the standard 1 to 5 scale, from “strongly disagree” to “strongly agree.” The “% agree” figure is the percentage of those who answered either “agree” or “strongly agree.”

Quantitative Responses from Student Evaluations

	Average	% Agree
I made the effort to know the professor well enough to ask for a letter of recommendation for an internship or study abroad application.	3.41	48%
Participation in the seminar made me think about taking more courses in this area.	4.21	83%
Participation in the seminar helped clarify my career goals or made me aware of new careers.	4.36	91%
The workload was <u>not</u> too much for a one/two credit-hour course.	4.15	81%
It was clear what was expected of me in the seminar.	4.48	93%
The professor was knowledgeable about the subject matter.	4.74	97%
I would recommend this seminar to other students.	4.67	96%

* The "Average" is the standard 1 to 5 scale, from "strongly disagree" to "strongly agree." The "% agree" figure is the percentage of those who answered either "agree" or "strongly agree."
