This Amendment No. 2 modifies the IFB only in the manner and to the extent as stated herein.

ITEM ONE: CLARIFICATIONS TO QUESTIONS PRESENTED BY VARIOUS VENDORS

1. **Question:** Question: A question that we have in relation to the Invitation for bid at the University of South Carolina Beaufort-Hilton Head Campus is in regard to the Floral areas. We noticed and asked about the total Square Footage (SF) of the floral/annual beds for the entrance. It was said that it was needed to be switched out two times a year and will need to be maintained as well. Can you supply an amendment showing the actual SF needed to be installed two times a year.

Answer: See attached drawing posted on the University of South Carolina Purchasing Department web-site.

Incorporate the following

Pg. 13 change "Non Bermuda Turf" to "Bermuda Turf"

Add the following general notes:

The floral beds at the entrance are to be maintained, changing out once in the spring and once in the fall. The bed by the main entrance sign is to be maintained as an annual bed.
