SOUTH CAROLINA

Amendment NO.1

TO: ALL VENDORS

FROM: William (Dennis) Gallman

SUBJECT: USC-IFB-3512-DG/Provide Secondary Athletic Insurance for University of South Carolina Beaufort

OPENING DATE AND TIME: See Item One

DATE: August 6, 2019

This Amendment No. 1 modifies the IFB only in the manner and to the extent as stated herein.

ITEM ONE: NO CHANGE

ITEM TWO: CLARIFICATIONS TO QUESTIONS PRESENTED BY VARIOUS VENDORS

1. Question: Claims Reports:

Thank you for providing the claims report totals by year, however, is there any way to receive the detailed claims reports for the following years? Typically, carriers will not quote without the current and prior 3 years detailed reports.

Answer: 2015/16--\$8,350.00
2016/17--\$8,350.00
2017/18--\$8,350.00
2018/19--\$8,350.00

See attached Claim Summary.

2. Question: Policy:

You outlined the coverage very well, however, in every policy/contract there can be small nuances that make a difference in the cost and coverage which sometimes are not included in a brief summary. Are we able to receive the full policy and any significant contract changes since 2014?

Answer: There were not any contract changes

3. Question: Premium:

Is there any way you will provide some type of Premium History?

Answer: *These have been requested*

4 Question: SCOPE OF WORK SECTION (Under 3.2 Insurer/Broker – Letters B and C)

Based on 3.3-A. you currently utilize a claims system for filing claims so I want to be certain that I'm understanding the request in 3.2-B. correctly. "100% claims coordination will be done by broker/agent to include collection of EOB's and HICF's". This could be handled in several different ways so can you clarify and/or expand on your expectations of the specific duties of the broker. I assume USC Beaufort is entering the claims online and from there, what are your expectations of the communication flow between student, Athletic Training Staff, broker and the Third Party Administrator/Claims Examiner? Based on 3.3-C I would assume that you want a primary contact at the broker and/or the TPA Claims Examiner in which the Athletic Trainer would contact if he/she has an issue which has escalated. Otherwise, the student and/or University will be responsible for filing the claim online and to what extent does the student get involved in obtaining the primary EOB's and HICF forms? I want to make certain we can fulfill your expectations.

Answer: We currently have a primary claims processor. EOBs & Invoices are submitted to the athletics department and these are scanned and sent over to the processor. The student is responsible for submitting all required documentation (invoice & EOB) to the athletics office.

5 Question: 3.3-A. Claims System

What claims system are you currently using?

Answer: N/A submission via email.

6. Question: VIII. BIDDING SCHEDULE

Do you want the bidding schedule to be in a separate sealed envelope from the proposal or can it all be together? I did not see where you requested it in a separate envelope so I just want to make sure.

Answer: The bid schedule can be included with the bid

BIDDER SHALL ACKNOWLEDGE RECEIPT OF AMENDMENT NO. 1 IN THE SPACE PROVIDED BELOW AND RETURN IT **WITH THEIR BID RESPONSE**. FAILURE TO DO SO MAY SUBJECT BID TO REJECTION.
