**The following Question was received from Vendor A**

**Question # 1**

Will USC have a means of unloading this cable or will the contractor be responsible for unloading?

**Answer**

USC will unload the cable if it is delivered on a flat bed. If the cable is delivered in a box truck, it must be on pallets in order for USC to unload it. USC has no loading dock or access to a forklift to unload the items from a box truck.

**Question #2**

Will this be CT or Non-CT Cable?

**Answer**

Non-CT
