Additional time is necessary to complete the procurement process; accordingly, the date for posting the award notice is extended. We will give every offeror prior notice before posting the actual award notice. Prior notice will be made by posting a Notice of Revised Award Posting Date (at least two business days before posting the actual award notice). The Notice of Revised Posting Date will be posted at purchasing.sc.edu. In addition, a Notice of Revised Award Posting Date will be emailed to each offeror.
